# LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

MINNEAPOLIS PROFESSIONAL EMPLOYEES ASSOCIATION

**THIS AGREEMENT**, hereinafter referred to as the *Labor Agreement* or the *Agreement*, is made and has been entered into effective the 1st day of January, 2023 by and between the City of Minneapolis, the *Employer*, and Minneapolis Professional Employees Association, the *Association*. The Employer and the Association, the *Parties*, agree to be bound by the following terms and provisions:

## ARTICLE 1

### RECOGNITION AND ASSOCIATION SECURITY

#### Section 1.01 - Recognition and Amendments to Unit

##### Subd. 1. Recognition

The Employer recognizes the Association as the sole and exclusive certified collective bargaining representative of all employees whose job classifications and rates of pay are set forth in Appendix "A" of this Agreement, except those who are Supervisors and Confidential employees within the meaning of the *Minnesota Public Employment Labor Relations Act*, as amended, those who are otherwise excluded by the Act, and all other employees.

##### Subd. 2. Amendment to Certified Unit

Disputes which arise between the Employer and the Association over the inclusion or exclusion of any job classifications may be referred by either Party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated there under. In the event the Employer has established a new job classification which is added to the bargaining unit by agreement between the Parties or by determination of the Commissioner, Bureau of Mediation Services, State of Minnesota, the Parties agree to negotiate with one another concerning wages and such other terms and conditions of employment as may be applicable to the position and which are not covered by this Agreement. However, it is agreed that all other terms and provisions of the Agreement shall apply to the new job classification.

#### Section 1.02 - Association Dues

##### Subd. 1. Association Dues Payroll Deductions

In recognition of the Association as the exclusive representative, the Employer shall deduct an amount sufficient to provide the payment of the regular bi-weekly Association membership dues uniformly established by the Association from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Association. The Association shall certify to the Employer, in writing, the current amount of regular bi-weekly membership dues which it

has uniformly established for all members. Such deductions shall be cancelled by the Employer upon a written request made by the involved employee to the Association with a copy to the appropriate departmental payroll office.

#### Subd. 2. Time of Deductions

The Employer shall deduct Association membership dues each payroll period. In the event an employee covered by the provisions of this section has insufficient pay due to cover the required deduction, the Employer shall have no further obligations to effect subsequent deductions for the involved payroll period.

#### Subd. 3. Remittance

The Employer shall remit such membership dues deductions made pursuant to the provisions of this section to the appropriate designated officer of the Association within fifteen (15) calendar days of the date of the deduction along with a list of the names of the employees from whose wage deductions were made and not made.

#### Subd. 4. General Administration

The following shall be applicable to the administration of the provisions of this section:

a. All certifications from the Association as to the amounts of deductions to be made as well as notifications by the Association and/or bargaining unit employees as to changes in deductions must be received by the Employer at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effective.

b. The Employer shall, upon the request of the Association, but no more frequently than once each month, provide the Association with a report showing the names of those employees in the bargaining unit along with their classifications and department locations, employee identification number, mailing addresses of record, home and work telephone numbers, Association Code, current rates of pay, classification and City seniority, union dues deduction code (i.e., whether union dues deductions are being made at the membership rate for each employee), and whether an employee's status is full-time or part-time and regular or temporary.

c. When an employee subject to the deduction of dues transfers from one work location within the bargaining unit to another, the deduction of dues shall not be terminated except as directed by the involved employee.

d. No other employee organization shall be granted payroll deduction of dues for employees covered by the Agreement without the express written permission of the Association.

#### Subd. 5. Hold Harmless

The Association agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against the Employer, its officers, agents and employees as a result of any action taken or not taken in compliance with the specific provisions of this section or which are taken or not taken at the request of the Association.

### **Section 1.03 - Exclusive Representation**

The Employer shall not enter into any agreements with the employees covered by this Agreement either individually or collectively or with any other employee organization, which in any way conflicts with the terms and provisions of this Agreement. Further, the Employer shall meet and negotiate, pursue the resolution of grievances and conduct arbitration proceedings only with the properly designated representative(s) of the Association.

### **Section 1.04 - Association Representatives**

The Association may designate certain bargaining unit employees to act as representatives and shall certify to the Employer, in writing, their names, along with the names of business representatives and/or officers of the Association who shall be authorized by the Association to investigate and present grievances. These representatives will be either Executive Board Members or Stewards. The Employer agrees to recognize such representatives, subject to the following:

#### **Subd. 1. Number of Representatives**

The Association may designate no more than one (1), Steward on each shift for each of the Employer's principal work areas from among those employees who work therein.

#### **Subd. 2. Activities of Representatives**

Designated and certified representatives shall be granted reasonable time off, with pay, in order to investigate and/or present grievances to the Employer, attend Association meetings and conduct other Association business during their normal working hours. Such representatives, however, shall not leave their work stations without first obtaining the permission of their immediate supervisor and shall notify their immediate supervisor upon returning to work. The permission of the supervisor shall not be denied without good cause. When the Parties agree that it is mutually beneficial to have an officer of the Association participate in such presentation and/or investigation, such officer shall also be authorized time off with pay for this purpose. Executive Board Members, Stewards and other representatives of the Association shall not interfere in any way with the Employer's operation or with the performance of work by its employees. Nothing in this paragraph, however, shall be construed to limit the proper presentation of grievances provided for by this subdivision.

### **Section 1.05 - Visitation**

With notice to an available supervisor at a worksite, non-employee representatives of the Association who have been certified to the Employer may come on the worksite for the purpose of investigating and presenting grievances. The Association agrees there shall be no solicitation for membership, signing up of members, collection of initiation fees, dues, fines or assessments, meetings or other Association activities on the Employer's time by such non-employee representatives, the Association's stewards or any officers of the Association.

### **Section 1.06 - Bulletin Boards**

The Employer shall provide for the Association's use, reasonable space on designated bulletin boards for the purpose of posting official Association notices. Each posted notice shall bear the signature of the Association representative who has posted the notice and the date of the posting. Such person shall be

required to remove the notice once it has served its purpose. The Association shall not post material of a political nature.

### **Section 1.07 - Association Membership**

Employees have the right to join or to refrain from joining the Association. Neither the Employer nor the Association nor any of their respective agents or representatives shall discriminate against or interfere with the rights of employees to become or not become members of the Association, and further there shall be no discrimination or coercion against any employee because of Association membership or non-membership. The Association shall, in its responsibility as exclusive representative of the employees, represent all bargaining unit employees without discrimination, interference, restraint, or coercion.

### **Section 1.08 - Equity**

The Association supports the City's efforts to advance race and gender equity.

## **ARTICLE 2** **MANAGEMENT RIGHTS**

The Association recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority, which the Employer has not officially abridged, delegated or modified by the express terms and provisions of this Agreement are retained by the Employer.

## **ARTICLE 3** **NO STRIKE - NO LOCKOUT**

### **Section 3.01 - No Strike**

The Association, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment during the term of this Agreement.

### **Section 3.02 - No Lockout**

The Employer agrees that neither it, its officers, agents nor representatives, individually or collectively, will authorize, institute or condone any lockout of employees during the term of this Agreement.

### **Section 3.03 - Violations by Employees**

Any employee who violates any provision of this article may be subject to disciplinary action, including discharge.

## **ARTICLE 4** **COACHING AND PERFORMANCE**

### **Section 4.01 - Coaching**

Coaching is an interactive process between an employee and his/her supervisor. It should be used to assist an employee to identify and use proper workplace processes and procedures to improve the employee's performance and to achieve the Employer's goals. It is not a form of discipline.

#### **Section 4.02 - Performance Improvement Plan (PIP)**

The Employer may develop a Performance Improvement Plan (PIP) with an employee when the employee's performance is deficient. The PIP shall be developed and administered under guidelines and procedures established by the Employer's Department of Human Resources. An employee shall have the right to request to have an Association representative present at any conference involving the development of a PIP or discussion of a current PIP. The Employer shall advise an employee of that right prior to an initial conference and with sufficient advance notice so as to afford the employee a reasonable opportunity to make arrangements for the attendance of an Association representative. Once a PIP is developed, the Employer shall give the employee meaningful written feedback at least once every thirty (30) days regarding the employee's progress under the PIP. A PIP shall be effective for a reasonable period needed to satisfactorily improve the employee's performance, but, in any case, a PIP shall not be effective for more than six (6) months. An employee whose performance is documented to show a failure to improve within the six (6) month period or to have become deficient again on the same performance issue(s) within two (2) years after having completed a PIP, may be subject to discipline up to discharge from employment.

### **ARTICLE 5** **SETTLEMENT OF DISPUTES**

#### **Section 5.01 - Dispute Resolution**

A. Scope: This Article shall apply to all members of the bargaining unit.

B. Letter of Inquiry:

Any employee or the Association may initiate a "letter of inquiry" for the purpose of requesting from the City information on an event that may result in a grievance. If an employee initiates the letter of inquiry, then the request shall be presented to the Association in writing. An Association representative shall process the letter of inquiry. The Association may request in writing from the Director of Labor Relations such information or interpretation necessary to enable the Association to prepare a response to the inquiry. The information requested shall normally be provided by the Director, Labor Relations within ten (10) days of receipt of the request. In the event the information request is delayed, the Director, Labor Relations shall provide a reasonable timeline of when the request will be completed. If the letter of inquiry originated from an employee, then the Association will respond to the employee.

If a letter of inquiry pertains to an event which might give rise to a grievance and the letter of inquiry is initiated within the time frames for filing a grievance under Section 5.01(D)(7), then the grievance must be commenced within twenty-one (21) calendar days from the date of the Association's receipt of the Director of Labor Relations' response to the letter of inquiry.

C. Informal problem resolution:

From time to time, violations relating to the application of this agreement may arise. Many of these violations can be resolved informally. A violation that cannot be resolved informally is called a grievance.

D. Procedure and timelines:

A grievance is any matter concerning the interpretation, application or alleged violation of the current agreement between the City and a member of the bargaining unit or MPEA. Grievances shall be resolved in the following manner:

If the grievance has not been avoided and/or the dispute resolved in an informal manner, and the Association wishes to file a formal grievance, the Association representative shall file a written grievance with the employee's department head or designee. Except as otherwise provided in Section 5.01 (B), the grievance must be filed within twenty-one (21) calendar days of the event which gave rise to the grievance or within fourteen (14) calendar days of the time the employee reasonably should have knowledge of the occurrence or event, whichever is later. The Association shall provide the Employer's Director, Labor Relations with an informational copy of the grievance.

1) Step One:

The Association shall inform the department head of the grievance in writing.

A discussion between the Association representative, with or without the grievant, and the department head or his/her representative concerning the written grievance shall take place within ten (10) days after filing the grievance, unless the time is mutually extended.

Within twenty (20) days after receipt of the grievance or the discussion meeting concludes, whichever is later, the department head shall state his/her decision in writing together with the supporting reasons, and shall furnish one (1) copy to each of the following:

1. The Association,
2. The Director, Labor Relations.

Each step one decision shall be clearly identified as a "Step One decision."

2) Step Two:

If the step one decision is not satisfactory, a written appeal may be filed by the Association to the Director of Human Resources, or his/her designee, within ten (10) days of receipt of the Step One decision. Upon request of the Association, a meeting shall be held between the Director of Human Resources, or his/her designee, and a representative of the Association, with or without the grievant. The meeting shall be scheduled by the Director of Human Resources, or his/her designee, and held within twenty (20) days after receipt of the written appeal.

The Director of Human Resources, or his/her designee, shall have the full authority of the City Council to resolve the grievance. Within twenty days after the step two meeting or receipt of the step two appeal, whichever is later, the Director of Human Resources or his/her designee shall send a written response to the Association. The Step Two decision shall clearly identify that answer as a "Step Two decision."

3) Step Three: Regular Arbitration:

Within twenty (20) calendar days of the date the Association receives the step two decision, the Association may submit the matter to arbitration. The Association shall notify the Director of Labor Relations, or his/her designee, of its intent to arbitrate the grievance. Within thirty (30) days of date of the Associations notice, the Parties shall select an Arbitrator. Thereafter, a hearing shall be scheduled at the Arbitrator's earliest opportunity. A single arbitrator shall be selected from the panel of seven mutually agreed upon arbitrators. The parties will alternate striking arbitrators until one arbitrator is left. The party to strike first will be determined by coin toss, with the losing party striking first. Either party may request an annual review of the panel at which time a new panel may be selected. The Arbitrator shall be notified of his/her selection by either or both Parties who shall request that he/she set a time and a place for the arbitration hearing, subject to the availability of the parties. One representative of the Association, the Grievant and all necessary employee witnesses shall receive their regular salary and wages for the time spent in the arbitration proceeding, if during regular work hours.

The arbitrator shall render a written decision and the reasons, therefore resolving the grievance, and order any appropriate relief within thirty (30) days following the close of the hearing or the submission of briefs by the parties. The decision and award of the arbitrator shall be final and binding upon the City, the Association and the employee (s) affected.

The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this agreement. The arbitrator is also prohibited from making any decision that is contrary to law or to public policy.

4) Mediation: (Optional)

The City and the Association, by mutual agreement may utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration. The objective of mediation is to find a mutually satisfactory resolution to the dispute. The parties shall mutually choose a mediator or have a mediator assigned by the Bureau of Mediation Services. One representative of the Association, and all necessary employee witnesses shall receive their regular salaries or wages for the time spent in the grievance mediation proceeding, if during regular working hours.

- a) Arbitration time frames shall be tolled during the mediation procedure; however, there shall be not additional extensions without written mutual agreement.
- b) Grievances that have been appealed to arbitration may be referred to mediation if both the Association and the Employer agree.
- c) Mediation conferences shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances, which shall have priority.
- d) Promptly after both parties have agreed to mediate, the parties shall notify the Bureau of Mediation Services. The Bureau of Mediation Services shall arrange for the conference.
- e) The mediation proceedings shall be informal in nature, and the goal will be to mediate up to three (3) grievances per day.
- f) Each party shall have one (1) principal spokesperson that will have the authority to agree upon a remedy of the grievance at the mediation conference.
- g) One (1) Grievant will have the right to be present for each grievance.

- h) The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no transcript of the mediation conference shall be made.
  - i) The mediator may meet separately with the parties during the mediation conference. The mediator will not have the authority to compel the resolution of a grievance.
  - j) Written material presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference, except that the mediator may retain on (1) copy of the written grievance to be used solely for the purposes of statistical analysis
  - k) If no settlement is reached during the mediation conference and upon the request of either party, the mediator may provide either or both parties with an immediate oral advisory opinion. The opinion will involve the interpretation or application of the collective bargaining agreement and the reasons for his/her opinion. The parties may agree that no opinion shall be provided.
  - l) The advisory opinion of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.
  - m) If no settlement is reached as a result of the mediation conference, the grievance may be scheduled for arbitration in accordance with “Step three.”
  - n) In the event a grievance that has been mediated is subsequently arbitrated, no person who served as the mediator may serve as the arbitrator. In the arbitration hearing, no reference to the mediator’s advice or ruling may be entered as testimony nor may either party advise the arbitrator of the mediator’s advice or ruling or refer at arbitration to any admissions or offers of settlement made by the other party at mediation.
  - o) By agreeing to schedule a mediation conference, the Employer does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.
  - p) The fees and expenses of the mediator and mediation office, if any, shall be shared equally by the parties.
- 5) Expedited Arbitration: (Optional)  
Upon mutual agreement the Parties may request expedited arbitration. The Parties will make immediate (within twenty-four (24) hours) arrangements with the Bureau of Mediation Services for the expedited arbitration procedure and such procedure shall begin as soon as the Bureau can initiate a hearing. It shall be the specific request of both Parties to have a decision within fourteen (14) days of the hearing, and that no briefs will be filed.

6) Time Limits:

Time limits in, specified in this article may be extended by written mutual agreement of the Parties. The failure of the Employer to comply with any time limit herein means the Association may automatically process the grievance to the next step of the grievance procedure. Failure of the Association or its unit members to comply with any time limit herein renders the alleged violation untimely and no longer subject to the grievance procedure.

- 7) The Employer will cooperate with the Association to expedite the grievance procedure to the maximum extent practical.

### **Section 5.02 - Disclosure**

The Parties acknowledge that their ability to resolve grievances under this Agreement is strengthened by their candid discussion of the facts, circumstances and events that gave rise to the grievance. Therefore, each Party shall disclose to the other such facts and arguments as it deems relevant to the matter at all steps of the grievance procedure and prior to any arbitration hearing conducted pursuant to the later provisions of this article. Copies of all statements, reports or other materials relied upon for the imposition of a disciplinary action, shall be provided to the Association at least 24 hours prior to any pre-determination hearing. Nothing in this section shall, however, be construed as a limitation upon either Party to present evidence, witnesses or arguments of any nature whatsoever at such hearings or as a bar to the production of undisclosed evidence, witnesses or arguments or its entrance into the record of such proceedings.

### **Section 5.03 - Arbitration Expenses**

The fees and expenses of the Arbitrator shall be divided equally between the Employer and the Association provided, however, that each Party shall be responsible for compensating its own representatives and witnesses. If either Party desires a verbatim record of the proceedings, it may cause such record to be made provided it pays for the record and provides a copy thereof to the other Party and to the Arbitrator.

### **Section 5.04 - Election of Remedy**

The parties acknowledge that the facts and circumstances which form the basis of a grievance may also form the basis of claims which may be asserted by an individual employee in other forums. The purpose of this Section is to establish limitations on the right of the Association to pursue a grievance in such situations.

#### **Subd. 1. Civil Service Rights.**

When the subject matter of a grievance to which Article 5, Settlement of Disputes applies is also within the jurisdiction of the Minneapolis Civil Service Commission the resolution of the dispute may proceed through the grievance procedure or the Civil Service appeals procedure. However, once the employee files an appeal to the Civil Service Commission, the Association's right to pursue a grievance under Article 5 is terminated.

Notwithstanding anything in the Civil Service Rules to the contrary, an employee's right to file an appeal with the Civil Service Commission expires on the later of: ten (10) days after the deadline for the Association to file a grievance under this Article; or ten (10) days after the employee has received notice from the Association of its final decision not to pursue a grievance. The Association shall provide notice to the City of such decision promptly after providing notice to the employee.

#### **Subd. 2. Rights of Veterans.**

Some employees covered by this Agreement may have the individual right to contest a removal from a position or employment under Minn. Stat. §197.46. Once an employee requests a hearing under Minn. Stat. §197.46, the Association's right to pursue a grievance under this Article is terminated.

### Subd. 3. Other Rights of Employees.

No action by the Association under this Agreement shall prevent an employee from pursuing a charge of discrimination brought under Title VII, The Americans with Disabilities Act, the Age Discrimination in Employment Act, the Equal Pay Act.

### **Section 5.05 - Administrative Leave Appeals Panel**

An FLSA exempt employee may appeal a denial of the employee's request for administrative leave to the Administrative Leave Appeals Panel (Panel). The Panel shall be comprised of three persons selected by the Association, at least one of whom shall be the Association's Attorney/Business Manager or a member of the Association's Executive Board, and two persons selected by the Employer, at least one of whom shall be a representative of the Department of Human Resources, Labor Relations Division. The Employer can strike, up to three times, one position of the Association's panel.

An employee shall file an appeal in writing (by e-mail or memorandum) by contacting an Association Board Member, the employee's supervisor, and Labor Relations. Within ten days of the employee's appeal, the Panel shall hear the appeal from the employee, the employee's supervisor and others as deemed necessary. If the panel does not convene within the ten days, a grievance may be filed in order to address the delay in convening the panel. The deliberations of the panel are confidential. Upon hearing the information, the Panel may grant, deny, or modify the employee's request. In any event, it is preferable that the decision of the Panel be based on consensus. If no consensus can be reached, a final decision will be reached by a majority vote of the Panel. The decision is final and not grievable. There shall be no reprisal against any employee who files an appeal.

## **ARTICLE 6** **EMPLOYEE DISCIPLINE AND DISCHARGE**

### **Section 6.01 - Just Cause**

When an employee has satisfactorily completed the initial probationary period, the Employer may impose disciplinary action only for just cause. The Employer should address with the employee each and every incident of alleged misconduct, whether or not discipline is involved. The Association recognizes that in and of themselves, such discussions may not be the basis for a grievance.

In general, the following timelines apply to acts of alleged misconduct. The Employer and the Association will strive to meet these timelines. However, the failure to meet these timelines shall not constitute a violation of the Labor Agreement.

- For each incident, the Employer should inform the employee of the alleged misconduct within five (5) business days from the date of the incident or the date on which the Employer becomes aware of the incident.
- If there is a need for an investigation, the Employer should notify the employee who is the subject of the investigation and provide status updates at least monthly during the pendency of the investigation.
- If there is an investigation, and if appropriate, the Employer should charge the employee with a violation within fifteen (15) business days of the completion of the investigation.

- If charged with a violation, the pre-determination hearing should occur within five (5) business days of the charge. If requested by the Employee, the Association will assure a representative is present.
- The Employer should make the disciplinary decision within (5) five business days of the hearing.

If discipline is determined to be appropriate, the Employer should impose such discipline as soon as possible.

### **Section 6.02 - Progressive Discipline**

Disciplinary action shall normally include only the following measures and, depending upon the seriousness of the offense and other relevant factors, shall normally be administered progressively in the following order:

Subd. 1. Written reprimands;

Subd. 2. Suspension from duty without pay;

Subd. 3. Demotion in position and/or pay or discharge from employment.

If the Employer has reason to reprimand an employee, it shall normally not be done in the presence of other employees or the public.

### **Section 6.03 - Discharge Due Process**

No *regular employee* (i.e., an employee who has satisfactorily completed the initial probationary period) shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and circumstances surrounding the events which preceded the discharge and/or any extenuating or mitigating circumstances which the employee believes is relevant to the discharge decision. Whenever possible and practical, such opportunities shall be provided in a conference with the Employer which shall be conducted after advance notice to the employee and his/her Association representative who shall be permitted to attend the conference. If a conference is to be conducted, the involved employee(s) shall remain in pay status until the conference has been completed.

### **Section 6.04 - Appeals**

Disciplinary actions within the meaning of this article, excluding oral reprimands, imposed upon an employee who has completed the initial probationary period, may be appealed through the grievance procedure outlined elsewhere in this Agreement.

### **Section 6.05 - Disciplinary Action Records**

A written record of all disciplinary actions within the meaning of this article, excluding oral reprimands, shall be provided to the involved employee(s) and may be entered into the employee's personnel record. Investigations into conduct which do not result in disciplinary action, however, shall not be entered into the employee's personnel record. When a disciplinary action more severe than a written reprimand is imposed, the Employer shall notify the employee in writing of the specific reason(s) for such action at the time such action is taken and provide the Association with an informational copy. Written

reprimands shall not be relied upon to form the basis for further disciplinary action after two (2) years following the date of the written reprimand.

### **Section 6.06 - Disciplined Employee's Response**

Any employee who is disciplined by written reprimand, suspension, demotion or discharge (and/or such employee's Association representative) shall be entitled to have a written response, if any, included in their personnel record, if filed with the Employer within sixty (60) calendar days of the issuance thereof.

### **Section 6.07 - Association Representation**

Employees have the right to request Association representation at any conference or investigation which may lead to disciplinary action. Prior to any such conference or investigation, the Employer shall advise an employee of the employee's right to Association representation and inform the employee that it is the employee's responsibility to arrange for that representation.

## **ARTICLE 7** **SENIORITY**

### **Section 7.01 - Seniority Defined**

When used in this Agreement, the terms *City seniority* and *classification seniority* shall have the meanings given them below:

continuous between such Boards and the Employer and to the extent that such Boards afford reciprocal recognition of seniority credit to the employees covered by this Agreement.

### **Section 7.03 - Loss of Seniority**

An employee's seniority shall be lost and his/her employment shall be terminated when the employee:

Subd. 1. Quits or retires and does not rescind such action within five (5) calendar days;

Subd. 2. Is discharged and the discharge is not reversed;

Subd. 3. Has been laid off and is not actively working for the Employer for a period of three (3) years.

## **ARTICLE 8** **FILLING VACANT POSITIONS**

At least one of the items in this Article identifies unique terms and conditions for exempt employees. If it is different, the section to be applied for exempt employees will be identified by a "(B)". The exempt titles are listed in Appendix A of the Agreement under the column headed "FLSA, OTC".

### **Section 8.01 - General Provisions**

The Parties agree that the following provisions respecting the filling of vacant bargaining unit positions shall be applicable in addition to other Employer-promulgated procedures to the extent that such procedures do not conflict with the provisions herein. The provisions herein shall become effective upon ratification and shall be applicable to all examination plans conducted for the purpose of filling vacant bargaining unit positions.

### **Section 8.02 - Examination Plans and Applications**

#### **Subd. 1. Examination Plans**

Examination plans, when offered, shall be posted for a period of not less than ten (10) calendar days. The examination plan shall set forth the title, salary, nature of work to be performed; minimum qualifications, the place and manner of making applications and the closing date applications will be received. The Employer may establish a definite or an indefinite closing date for the filing of applications. If the Employer has established an indefinite closing date, it must notify employees of any fixed closing date, later determined, by a posting adjacent to the originally posted examination plan. An applicant's eligibility for promotion begins on the date their name was added to a list of eligibles. Exam plans for newly created positions and/or for positions for which the title, salary, nature of work to be performed and/or minimum qualifications are materially different from the examination plans previously used, shall not be finalized by the Employer until the Association has had an opportunity to review the proposed examination plan and provide the Association's input into the examination plan development process. A copy of the examination plan in its final form shall be furnished to the Association at least seven (7) calendar days prior to its approval.

#### **Subd. 2. Stated Qualifications**

The minimum qualifications set forth in the examination plan shall be related to the job duties of the involved position and shall include applicable education, training, experience, skills and abilities

required. Such minimum qualifications shall not, however, include artificial and/or irrelevant time-in-grade, promotional line and/or grade level requirements.

### Subd. 3. Application for Promotion

Employees may make application for any promotional examination plan provided they meet the minimum, stated qualifications for the involved position; provided, however, that employees who have failed a promotional probationary period in a classification shall not be permitted to take an examination for promotion to that classification within twelve (12) months of the date of such failure.

### Subd. 4. Examination Plans

The Employer may conduct an *open* and/or promotional examination plan(s). The Employer may advertise an open position internally and externally simultaneously. For purposes of this article, applicants from the Minneapolis Library Board, the Minneapolis Board of Education and the Minneapolis Park and Recreation Board shall be considered as outside applicants.

## **Section 8.03 - Examination of Qualified Applicants**

### Subd. 1. Examination Times

When an employee is scheduled to take a Minneapolis Civil Service examination during the employee's regularly scheduled hours of duty, the Employer shall grant time off, with pay, to take the examination.

### Subd. 2. Testing

Unless the Employer elects to limit the number of qualified internal applicants to be tested, all qualified internal applicants shall be permitted to take the complete examination. In the event testing limitations apply, the Employer shall test no more *outside* applicants than it tests internal applicants. In no event, however, shall the number of qualified internal applicants be limited to fewer than six (6). One-half (½) of the internal applicants selected for testing shall be the senior-most qualified applicants unless the Employer utilizes an objective job-related testing mechanism to identify the internal applicants to be tested in which case the seniority selection mechanism shall not be applicable. While disputes respecting non-selection for testing are not subject to the provisions of Article 4 of this Agreement ("Settlement of Disputes"), such disputes may be referred to the Employer's Director of Human Resources who shall attempt to resolve the dispute.

### Subd. 3. Examination Scores

One hundred percent (100%) of the total examination score shall be based upon the results of each applicant's test score(s). Such tests shall be developed by the Employer and may consist of more than one component.

## **Section 8.04 - Eligibles and List of Eligibles**

### Subd. 1. Passing Score

Each applicant whose 1) total examination score and 2) individual test score(s) as defined in Section 7.03, Subd. 3 of this article equals or exceeds seventy percent (70%) shall be considered to have passed the examination.

### Subd. 2. List of Eligibles - Examination Plans

The names of those applicants who have passed an examination shall be placed on a list of eligibles in descending order of their total examination scores in addition to any Veteran's Preference points, if applicable. In the event two (2) or more eligibles hold identical total examination scores, their names shall be placed on the list of eligibles in the order of their respective City seniority; i.e., the name(s) of the senior eligible(s) shall be placed over the name(s) of the junior eligible(s) provided, however, the names of Veterans shall always be placed over the names of non-Veterans who hold identical scores.

### Subd. 3. List Expiration

The staffing division of the Human Resources Department shall inform applicants of the length of their eligibility by stating it on the job posting and/or by letter.

### **Section 8.05 - Selection of Certified Eligibles**

Any or all of the eligibles on a list of eligibles may be certified to the appointing authority for selection. At a minimum, the top three (3) scoring eligibles shall be considered. Any of the eligibles certified to the appointing authority may be selected to fill the vacant position. The name of the eligible selected shall be removed from the list of eligibles.

### **Section 8.06 - New Employee Orientation**

The Employer shall provide the Association with notice of the date, time, and location of all new employee orientation sessions. The notice shall also include the names of the new employees and their job classifications, if available. The Association shall be provided with the opportunity to attend the sessions and to meet with the new employees.

### **Section 8.07 - Probationary Periods**

An eligible selected to fill a vacant position shall serve an initial or promotional probationary period as applicable. An employee may be removed from the position during the probationary period at the discretion of the appointing authority. Such removal shall not be subject to the grievance/arbitration provisions of this Agreement. For purposes of this section, one (1) month shall be deemed to be one hundred seventy-four (174) hours of work for non-exempt employees. For exempt employees, one (1) month shall be deemed to be one (1) calendar month of actual work, including approved sick leave or vacation leave. Time spent in temporary duty in the position immediately preceding the appointment shall count toward satisfaction of the probationary period, benefits eligibility, without retroactivity, and pay progression purposes.

#### A. Initial Probationary Period

1. All initial probationary periods shall be twelve (12) months in duration.
2. Removal during an employee's initial probationary period shall result in termination of employment.

#### B. Promotional Probationary Period

1. All promotional probationary periods shall be six (6) months in duration; however, the promotional probationary period may be extended for up to an additional six (6) months with a meet and confer with the Association provided a performance review has been conducted.
2. An employee removed during a promotional probationary period shall have the right to return to a vacant position in his/her previous classification, or, if none is available to his/her previous position.

#### C. Transfer Probationary Period

1. All transfer and lateral transfer probationary periods shall be six (6) months in duration; however, the transfer and lateral transfer periods may be extended for up to an additional six (6) months with a meet and confer with the Association provided a performance review has been conducted.
2. An employee removed during a transfer probation period shall have the right to return to a vacant position in their previous classification, or, if none is available to his/her previous position. Employees removed during this period shall have their classification seniority date and anniversary date for further salary increments set as if the employee had never left the classification.
3. An employee removed during a lateral transfer probation period shall have the right to return to a vacant position in his/her previous classification, or, if none is available to his/her previous position. Employees removed during this period shall have their classification seniority date and anniversary date for further salary increments set as if the employee had never left the classification.
4. If any provision of this paragraph C conflicts with the Job Bank Letter of Agreement, found in Attachments B and C, the provisions of those Attachments shall supersede this paragraph C.

Employees, regardless of status, should receive meaningful and timely feedback concerning their job performance. This is particularly true for employees as they enter a position and are serving probation. The Employer will strive to provide job performance feedback to employees and to support the employee in becoming successful. Though this feedback is considered important and critical, the failure of management to conduct a probationary performance review is non-grievable.

### **Section 8.08 - Position Audit and Class Maintenance Studies**

#### Subd. 1. Position Audit

Unless otherwise ordered by a court of competent jurisdiction, employees who believe that their individual position has changed due to gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed, may request that their position be audited to assure proper classification. To request a position audit, the employee must submit a Job Analysis Questionnaire on the form provided by the Human Resources Department. The employee will complete the questionnaire and submit it to their supervisor for review, comments and signature. The supervisor will forward it to the department head for similar action. The department head will forward the completed and signed

questionnaire to the Human Resources Department. If the supervisor fails to act upon the request within 30 calendar days, the employee may forward the request to the department head with another copy provided to the supervisor. If the department head fails to respond within 30 calendar days after receiving the questionnaire, the employee may document the department's failure to provide a timely response, and may then submit the study request directly to the Human Resources Department. Requests for study of an employee's individual position may be submitted no more than once every 24 calendar months, unless the Parties agree that substantial changes have occurred in the position justifying the need for a new audit.

If the audit results in a reclassification of the individual position no vacancy shall be deemed to have been created. Upon reclassification, to a position providing a higher maximum salary, the incumbent employee shall be appointed to the reclassified position and the incumbent employee's pay shall be determined in accordance with Section 10.03, Subd. 1 of this Agreement. The effective date of the reclassification for pay and seniority purposes shall be the date upon which the involved employee submitted a completed request for reclassification to the Employer's Human Resources Department with a copy to the involved Department Head. The provisions of this section shall apply only to the incumbent employee who has been permanently certified to the involved position.

When a position is reclassified as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed in a position to a classification providing a lower maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 ("Layoff and Recall From Layoff") shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be frozen until such time as the salary for the new classification is the same or greater than the salary as frozen, at which point the salary schedule for the classification shall govern future changes.

#### Subd. 2. Class Maintenance Study

The Employer may initiate class maintenance studies related to a specific class or a group of positions within a department/division to maintain the integrity of the Employer's classification system. The Employer will consider requests by the Association to initiate such studies. The format of these studies may include an informal survey or an in-depth study of changes in the kind, responsibility, or difficulty of work performed since the classification was last studied at the discretion of the Human Resources Department. Individuals in a studied class may not request a position study while the Maintenance Study is in progress. If the study is not completed within 120 days, the employee may request an individual position audit using the previously stated process and time frames for job audits.

If a class or group of positions is/are reclassified pursuant to a class maintenance study to a class providing a higher maximum salary, no vacancy shall be deemed to have been created. Upon reclassification, the incumbent employees shall be appointed to the reclassified position and the incumbent employees' pay shall be determined in accordance with Section 10.03, Subd. 1 of this Agreement. The effective date of the reclassification for pay purposes shall be no later than January 1<sup>st</sup> of the calendar year following completion of the study. Incumbent employees shall maintain the classification seniority date of their previous classification as the classification seniority date of the new classification. The provisions of this section shall apply only to the incumbent employees who have been permanently certified to the involved positions.

When a class or group of positions is/are reclassified pursuant to a Maintenance Study to a class providing a lower maximum salary, the involved incumbent employee may request that the

reclassification be considered a layoff. If so requested, the provisions of Article 8 ("Layoff and Recall From Layoff") shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be frozen until such time as the salary for the new classification is the same or greater than the salary as frozen, at which point the salary schedule for the classification shall govern future changes.

Human Resources will develop an on-going schedule of class maintenance studies that provides for a maintenance study on a rotating basis at least once every four (4) calendar years. Such studies may be done more frequently as needed to maintain the integrity of the classification system.

### Subd. 3. Employee Notice of Reclassification Study Results

Whenever an employee's position is the subject of a reclassification study, through a position audit under Subd. 1., the Employer shall notify the employee of the results of the study. The Association shall receive a copy of the notice. The notice shall also include language informing the employee of his/her right to appeal the results, the length of time the employee has to file the appeal, and the specific Civil Service Rule under which the employee may file. Upon request, the employee shall receive a copy of the main report supporting the results.

## **Section 8.09 - Lateral Transfers**

Employees may request to be transferred to a vacant position within their classification in another department and may be transferred pursuant to such request with the written approval of their department head, the involved appointing authority and the Employer's Director, Labor Relations. Such transferred employees shall serve a three (3) month probationary period in the new position; however, the transfer probationary period may be extended for up to an additional three (3) months with a meet and confer with the Association provided a performance review has been conducted no later than the mid-point of the probationary period. If removed by the appointing authority during the probationary period, the involved employee shall be reassigned to a vacant position within the classification or, if none is available, to their previous position.

## **Section 8.10 - Permits, Details and Grant Funded Employees**

### Subd. 1. Utilization

The Employer may select employees for temporary duty in other classifications and/or positions (*details*) and/or utilize temporary employees (*permits*) for periods not to exceed the length of an incumbent employee's absence or twelve (12) consecutive calendar months, whichever is longer. Such limitations shall not be exceeded except by the express written mutual agreement between the Parties.

### Subd. 2. Detailed During Study

If an employee is detailed to a position during a reclassification study, the employee shall be credited with time served in the detailed position, subject to the following conditions:

1. The employee is selected for the position.
2. The employee served in the position during the time of the reclassification study.

In the event the department utilizes a rotational process for detailing employees, the selected employee shall receive service credit (classification seniority) for the detail time spent.

### Subd. 3. Monthly Reports

Employer shall provide to the Association on a monthly basis a listing of all permit and detailed employees. The listing of permit employees shall include the employee's name and identification number, the classification title and union code of the permit position, whether the permit is for a full-time or part-time position, the department in which the permit position is located, the effective date of the permit position, the employee's entry date to the permit position, and the employee's planned exit date from the permit position. The listing of detailed employees shall include the employee's name and identification number, the union codes of the position the employee is detailed from and to, the job title and department the employee is detailed to, the effective date of the detail, the number of times the employee has been detailed, whether the detail is to a full-time or part-time position, the entry date to the detailed position, and the planned exit date from the detail. The Association may make specific inquiries relative to the anticipated termination date and the reason for appointment.

### Subd. 4. Grant-funded Employees

From time to time, the Employer is provided with short-term funds through a grant for a specific purpose. When such an occasion arises, the Employer will provide notice to the Association and provide information to identify the term and purpose of the grant. The terms and conditions listed below shall govern the rights of grant-funded employees. These terms and conditions shall not apply to the permanently certified employee who is assigned to a grant-funded position and who does not experience an interruption as defined in Section 7.03, Subd. 1 of this Agreement.

- a. Be employed on a permanent basis for the duration of the grant only;
- b. Enjoy all other rights, benefits and privileges afforded permanent employees under this Agreement;
- c. Be granted City and Classification seniority retroactive to their initial date of hire in the event the position becomes permanent;
- d. Not be entitled to layoff/bumping rights as defined by this Agreement;
- e. Not be eligible to participate in the Job Bank Program; and
- f. Be subject to the provisions of Section 1.02 and bear any other duties and obligations of full-time permanent employees under this Agreement.

If a grant-funded employee is employed continuously for more than three (3) years, except due to a time extension of the original grant, the employee shall then become a permanently certified employee, and shall be granted all the privileges of that status, including the layoff, job bank and bumping provisions of the Agreement. Such an employee shall also be granted City and classification seniority retroactive to their initial date of hire. Provisions of this section shall also be applicable whenever the grant-funded position becomes permanent through the usual position allocation process.

Nothing in this Section shall be interpreted to abridge the Employer's right to ensure adequate and appropriate staffing or staffing levels.

**ARTICLE 9**  
**LAYOFF AND RECALL FROM LAYOFF**

**Section 9.01 - Layoffs and Bumping**

Whenever any permanent position is to be abolished or it becomes necessary because of lack of funds or lack of work to reduce the number of employees in the classified service in any department, the department head shall immediately report such pending layoffs to the City Coordinator or her/his designated representative. The status of involved employees shall be determined by the following provisions and the involved employees will be notified.

**Subd. 1. General Order of Layoff**

Layoffs shall be made in the following manner:

- a. *Permit* employees shall be first laid off;
- b. Temporary employees (those certified to temporary positions) shall next be laid off;
- c. Persons appointed to permanent positions shall then be laid off.

**Subd. 2. Layoff Based on Classification Seniority**

The employee first laid off shall be the employee who has the least amount of classification seniority in the classification in which reductions are to be made. Provided, however, employees retained must be deemed qualified to perform the required work and employees who possess unique skills or qualifications which would otherwise be denied the Employer may be retained regardless of their relative seniority standing. For the purposes of this article, there shall be separate seniority between permanent year-round employees and permanent intermittent employees. In determining classification seniority for layoff purposes, the certification date of any employee in the class into which such employee has bumped shall be either 1) the date first certified to the lower class after which employee maintained continuous status as a City employee or, 2) if the employee has never served in the lower class, the certification date in the class from which the employee was laid off.

**Subd. 3. Bumping**

Employees who are identified for layoff shall have their names placed on a layoff list for their classification. Such employees who have at least two (2) years of City seniority shall have the right to displace (*bump*) the employee of lesser City seniority who was last certified to the next lower classification in the same job series. If the employee identified for layoff cannot properly displace any employee in the next lower classification in the same job series, such employee shall have the right to displace (*bump*) the employee of lesser City seniority who was the last certified to equal or progressively lower classifications previously held permanently (i.e., one in which the probationary period was satisfactorily completed) by the employee identified for layoff and in which job performance was deemed by the Employer to be satisfactory, which is equal to or lower than the original classification of the employee identified for layoff. In all cases, however, the bumping employee must meet the current minimum qualifications of the claimed position and must be qualified to perform the required work.

Employees hired on or after January 1, 2014 who have not previously held a lower position in the job series shall not be allowed to bump down in the series.

## **Section 9.02 - Notice of Layoff**

The Employer shall make every reasonable effort under the circumstances to provide affected employees with at least fourteen (14) calendar days' notice prior to the contemplated effective date of a layoff.

## **Section 9.03 - Recall from Layoff**

An employee in the classified service who has been laid off shall be re-employed without examination in a vacant position of the same class within three (3) years of the effective date of the layoff. Recalled employees shall be subject to a probationary period of up to six (6) months. During the probationary period the employee may be removed from the position at the discretion of the appointing authority. Such removal shall not be subject to the grievance procedure contained in Article 5. However, the removal shall, if requested by the Association, be reviewed by a committee chaired by the Director of Labor Relations consisting of two Association members selected by the Association and one other member selected by the Director of Labor Relations. The committee shall review the reasons for the removal and render a final decision. The decision of the committee shall be final. An employee may also request to be returned to the recall list during the probationary period. An employee removed during his/her probationary period or who has requested to be returned to the recall list shall be returned to the recall list with his/her time tolled for the period the employee was employed but with no other rights associated with an initial layoff.

Failure to receive an appointment within three (3) years will result in the eligible's name being removed from the list.

## **Section 9.04 - Application and Scope**

### **Subd. 1. General**

For purposes of this article, bargaining unit employees may displace (*bump*) non-bargaining unit employees. Further, non-bargaining unit employees shall be permitted to displace bargaining unit employees. Specifically, the provisions of this article respecting layoff, bumping and recall, shall be applicable to those employees excluded from the bargaining unit by virtue of their supervisory or confidential status.

### **Subd. 2. Effect on Appointed Positions**

Bargaining unit members who hold appointed positions pursuant to Laws, 1969, Chapter 937, Section 2, or the Minneapolis Code of Ordinances, cannot be displaced (*bumped*) within the meaning of this article by other bargaining unit employees during the time such employees hold their appointed positions. In the event a member is removed from an appointed position he/she shall have the same bumping rights as provided for under provisions of this article.

## **Section 9.05 - Exceptions**

The following exceptions may be observed:

### **Subd. 1. Mutual Agreement**

If the Employer and the Association agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or her/his designated representative, employees will be laid off and re-employed upon that basis.

## Subd. 2. Emergency Retention

Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen (14) calendar days longer to complete an assignment.

## **ARTICLE 10** **WAGES AND PAYROLLS**

At least one of the items in this Article identifies unique terms and conditions for exempt employees. If it is different, the section to be applied for exempt employees will be identified by a “(B)”. The exempt titles are listed in Appendix A of the Agreement under the column headed “FLSA, OTC”.

### **Section 10.01 - Classifications and Rates of Pay**

#### Subd. 1. General

All positions covered by this Agreement shall be classified by the Employer and the minimum, maximum and intervening salary rates for such classification shall be those shown in Appendix "A" to this Agreement.

#### Subd. 2. Job Classification System

The Minneapolis Civil Service Commission (*MCSC*) shall administer the Employer's job classification system in accordance with the following criteria:

a. The job classification evaluative process shall be based upon professionally developed standards equally applied to all positions without bias.

b. Job classes shall be established which group positions that have identical or similar primary duties. Within each classification, the nature of the work shall be significantly different from other job classes.

c. Positions shall be classified based upon their job-related contributions and/or assessed value to the Employer's functions.

d. New positions shall be evaluated and placed into job classes based upon a comparison of the similarity of the assigned duties to other positions in the job class. New positions shall be placed into existing job classes unless the duties or conditions of employment are found to be substantially different from other existing classes in the classified service.

e. The MCSC shall maintain appropriate records relating to classification studies and actions, and shall maintain a written class specification for each job class in the classified service describing typical duties and responsibilities of positions in the job class.

f. The MCSC, in coordination with the Employer's Affirmative Action Program, shall assign appropriate Federal Job Category (*FJC*) designations to each job class.

Disputes respecting the classification of jobs within any bargaining unit shall be directed to the MCSC for review and final action. No dispute respecting classification determinations shall be subject to the grievance/arbitration provisions of this Agreement; however alleged violations to the processes described in Section 8.08 shall be subject to the grievance/arbitration provisions. In the event, either by law or otherwise, the MCSC loses its legal authority to administer the Employer's job classification

system during the life of this Agreement, the provisions of this section shall be null and void and the Parties shall meet and negotiate with one another, at the request of either of them, over an appeal procedure or other job classification dispute resolution process.

### **Section 10.02 - Pay Progressions/Performance Reviews**

Employees shall be eligible to be considered for advancement to the next higher step within the pay range annually.

Employer may withhold or delay the increase for unsatisfactory job performance. The employee shall be notified of the action and the specific reasons therefore. The employer's action is grievable. Increases pursuant to this section shall be made on the first day of the pay period, which includes the date of eligibility.

Each employee is entitled to performance appraisal feedback. To that end, supervisors shall perform performance appraisals for each employee at least annually. In the event an employee does not receive an annual performance review, the employee may request one in writing. Thereafter, the employee's supervisor shall conduct the performance review within a reasonable time. An employee's failure to request a performance review shall not be used to support withholding the employee's step progression. The failure of a supervisor to conduct a performance review may be used as evidence to support an employee's grievance challenging the withholding or delay of the employee's step progression. In addition, supervisors are encouraged to hold mid-year performance review discussions.

### **Section 10.03 - Advances and Transfers**

#### **Subd. 1. Pay Upon Promotion**

The salary of an employee who advances from one grade to a higher grade shall be at the increment nearest the employee's salary in the lower classification plus 5%, and thereafter shall increase in accordance with Section 10.02 of this article. For the purpose of this Section, "employee's salary" shall include all incremental increases the employee would have received within four (4) months after the promotion date had they not been promoted. The provisions of this subdivision shall also be applicable whenever an employee is reclassified pursuant to Section 8.07 of this Agreement.

Notwithstanding the above provisions of this Subdivision 1, if the parties agree, the salary of a promoted employee may be negotiated between the Association and the Employer to a different step in the new pay schedule to which the employee is promoted.

#### **Subd. 2. Promoting Employees from Non-Exempt Positions to Exempt Positions**

Any employee represented by the Association promoting from a non-exempt position to an exempt position with the Employer, without regard to whether the exempt position is represented by the Association, shall be paid the value of any remaining compensatory time at his/her hourly rate of pay immediately prior to promotion.

#### **Subd. 3. Pay Upon Transfer**

When an employee is transferred or certified from one classification to another in the same grade he/she shall retain the same pay step as was applicable in his/her previous position and the employee shall retain the same anniversary date for future pay increase effective dates.

#### Subd. 4. Pay Upon Demotion

The salary of an employee who demotes to a classification that provides for a lower maximum salary shall be determined as follows:

1. Voluntary: The salary shall be the salary step on which the employee would be if they had remained in the position to which they demote.
2. Disciplinary: The salary shall be the same step which the employee had before the demotion; however, the employee shall not be placed on a step which provides for a lower salary than the employee had prior to the promotion.
3. Layoff Related: The salary shall be the next increment lower than the salary last received by such employee in the higher paid classification.

In 1 & 2 above if an employee is demoted to a position he/she has not previously held, the salary step will be the same step the employee was on at the time of demotion. The salaries, once set, shall increase in accordance with Section 10.02 (Pay Progressions) of this article.

#### Subd. 5. Pay Upon Detail

The salary of an employee who is detailed to perform all or substantially all of the duties of a higher-paid classification shall be determined by adding five percent (5%) to the salary received in the employee's permanent classification and then finding the salary increment closest to that figure in the new detail classification. When eligible for step advancement on the anniversary date in the permanent classification, the employee's wage will be recalculated, if the increase is not withheld or delayed, based upon their permanent classification. The detail pay will then be based upon the new wage in the permanent classification and in accordance with the above calculation.

Notwithstanding the above provisions of this Subdivision 5, if the parties agree, the salary of a detailed employee may be negotiated between the Association and the Employer to a different step in the new pay schedule to which the employee is detailed.

#### Subd. 6. Forensic Scientist Positions

The classification titles for forensic scientist are Forensic Scientist I, Forensic Scientist II, and Forensic Scientist III. Employees in the title Forensic Scientist I are trainees. Employees in the title Forensic Scientist II and Forensic Scientist III are professional forensic scientists who have achieved certification and are recognized as being qualified by their Forensic Discipline. Employees in the title Forensic Scientist I who achieve certification shall automatically progress to Forensic Scientist II.

In its sole discretion, the Employer may release any Forensic Scientist who has failed to achieve certification within three opportunities to attempt to attain certification.

Because Forensic Scientists are required to testify in a court of law, effective the first pay period in March every year, the Employer will reimburse each Forensic Scientist up to \$125. per year for membership in one related professional organization as approved by the Employer.

#### **Section 10.04 - Payrolls and Paydays**

- A. *Non-Exempt Employees* - All payrolls shall be calculated on a biweekly basis and employees shall normally be paid every other Friday. However, nothing shall preclude the Employer from paying an employee on a different day if required by State or Federal law or to avoid a penalty under State or Federal law.
- B. *Exempt Employees* - All payrolls shall be calculated on a biweekly basis and employees shall normally be paid every other Friday. However, nothing shall preclude the Employer from paying an employee on a different day if required by State or Federal law or to avoid a penalty under State or Federal law. The Employer shall not reduce an employee's salary or accrued leave for absences of less than one full workday.

#### **Section 10.05 - Benefits Calculations and Accruals**

For purposes of benefit plan administration, all compensated hours (exclusive of overtime hours and workers' compensation, unemployment compensation or similar insured compensation payments) shall be considered *hours worked* for all benefit accruals provided for by this Agreement. Benefit accruals shall be based upon a proportionate number of straight time compensated hours only.

#### **Section 10.06 - Longevity Pay**

Effective January 1, 2000, longevity pay shall be increased by the general, across the board wage increase provided to all bargaining unit members.

### **ARTICLE 11** **HOURS OF WORK AND OVERTIME**

At least one of the items in this Article identifies unique terms and conditions for exempt employees. If it is different, the section to be applied for exempt employees will be identified by a "(B)". The exempt titles are listed in Appendix A of the Agreement under the column headed "FLSA, OTC".

#### **Section 11.01 - Normal Work Week**

- A. *Non-Exempt Employees* - The normal work week for all full-time employees covered by this Agreement shall consist of forty (40) hours within each seven (7) calendar day period. The provisions of this section are intended to define the work day and work week for payroll calculation purposes only. All payroll and overtime pay calculations shall be based on a forty (40) hour work week. Nothing in this section or article shall be construed as a guarantee of hours of work per work day or per work week which are available to employees, nor shall any provision herein be construed as a limitation upon the Employer's ability to provide municipal service or to schedule its employees consistent with its legitimate needs.

It is the intent of the Parties to this Agreement that supervisors work with employees who desire to reduce hours or job share to develop schedules which accommodate the needs of the employee and the Employer.

- B. *Exempt Employees* - The normal work week for all full-time exempt employees covered by this Agreement shall normally consist of forty (40) hours within each seven (7) calendar day period. The provisions of this section are intended to define the work day and work week for payroll

calculation purposes only. All payroll calculations shall be based on the employee's annual salary. Nothing in this section or article shall be construed as a limitation upon the Employer's ability to provide municipal service or to schedule its employees consistent with its legitimate needs.

It is the intent of the Parties to this Agreement that supervisors work with employees who desire to reduce hours or job share to develop schedules which accommodate the needs of the employee and the Employer.

### **Section 11.02 - Work Schedules**

- A. *Non-Exempt Employees* - Work shifts, work breaks, staffing schedules and the assignment of employees thereto shall be established by the Employer.
- B. *Exempt Employees* - The Employer shall establish workdays.

Where work schedules are routinely subject to change, work schedules showing the regular shifts, days and hours of involved employees shall normally be prepared and posted at least fourteen (14) calendar days in advance of their effective date. Such work schedules, once posted, will only be modified when necessitated by unscheduled employee absences, unscheduled changes in work load or emergency conditions as reasonably determined by the supervisor.

#### **Subd. 1. Flexible Work Schedule**

Employees may be allowed flexibility in scheduling their weekly and daily work hours with their supervisor's approval. Employees may, for example, be allowed to schedule their weekly hours during four (4) or five (5) days and/or they may be allowed to schedule their starting and ending times according to individual needs and workloads, with such supervisory approval.

#### **Subd. 2. Switching Schedules**

Employees may mutually agree to exchange scheduled work days, shifts or hours of work with the advance approval of their supervisor provided such change does not result in the application of overtime or compensatory time off.

### **Section 11.03 - Meal Breaks**

All full-time employees shall be entitled to an unpaid, duty free meal break, not to exceed one (1) hour per work day. In some situations, work demands may preclude the granting of an uninterrupted meal break. In such cases, a non-exempt employee shall receive compensatory time off.

### **Section 11.04 - Rest Breaks**

All employees shall be entitled to a paid, duty free rest break of fifteen (15) minutes during each four (4) hour work period. In some situations, work demands may preclude the granting of an uninterrupted rest break at the scheduled times.

### **Section 11.05 - Equity in Scheduling**

The Employer shall attempt to schedule required evening and/or weekend hours of work in an equitable manner among the qualified employees of a given classification in a work unit. The Employer shall

meet and confer with the Association upon the Association's request in the event problems arise regarding this issue.

## **Section 11.06 - Overtime**

### **Subd. 1. Overtime Work and Pay**

Employees may be required to work a reasonable amount of overtime as assigned by the Employer. All overtime work must be approved in advance. When authorized by departmental policy and approved in advance by an eligible employee's supervisor, compensatory time may be granted to employees in lieu of overtime pay. In no case shall overtime pay or compensatory time be granted to employees in grades twelve (12) and above. The overtime pay/compensatory time status codes set forth in Appendix "A" of this Agreement (*OTC 1, 2, 3, or 4*) shall be applicable to bargaining unit employees as defined below:

- a. OTC Code 1. Employees are not eligible for overtime pay or compensatory time.
- b. OTC Code 3. Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of forty (40) hours in any work week.

A maximum of one hundred (100) hours of compensatory time may be accumulated unless the City Council has authorized up to one hundred twenty (120) hours for employees assigned to work on a special project basis or has authorized pay for compensatory time on a special project basis when funds are available for such purposes. Compensatory time off shall be scheduled and approved in advance in the same manner as vacation leave. Employees and their supervisors shall diligently work together to schedule accumulated compensatory time off when the impact on the Employer's operation will be minimized.

### **Subd. 2. Regular Rates of Pay and Overtime Calculations**

- a. Compensatory time used will not be included in the calculation of hours worked for the purpose of reaching overtime thresholds;
- b. Approved sick, bereavement, jury duty, paid holidays, and accrued vacation leaves from work will be included in the calculation of hours worked for the purpose of reaching daily and weekly overtime thresholds;
- c. Employees may replace compensatory time used with accrued vacation time to meet the weekly overtime threshold. An employee may not use this provision to accrue or increase a negative balance of vacation time. This replacement must be done within the payroll period in which the overtime is worked;
- d. Hourly premiums, shift differentials, hazard pay, longevity and any other negotiated pay benefits will be included in the calculation of the employee's "regular rate of pay;"
- e. All eligible paid leave time is eligible for overtime earnings when the total paid hours within a work week exceeds forty (40) hours, regardless of the sequential order of the applied leave;

- f. The Employer shall calculate the regular rate of pay for overtime payments in accordance with the U.S. Department of Labor’s guidance on the FLSA;
- g. “Seventh day worked” means seven consecutive days of actual work (any day where work is performed for 4 hours or more) independent of the Employer’s pay periods;
- h. The seventh day worked premium rate of pay of two (2) times the weekly regular rate of pay will be paid for all work performed on the seventh consecutive day of actual work, notwithstanding the timing of pay periods or unscheduled shift changes, except where specifically exempted within other negotiated agreements. The extension of a shift into the next pay day shall not be counted as a separate day of work. Use of any paid time off of more than four (4) hours on any work day within the seven consecutive days is disqualifying for the seventh day worked premium, though the employee remains eligible for the regular time-and-a-half overtime premiums if the work exceeds forty (40) hours in any work week.
- i. All seventh day worked premium earnings will be paid in cash; no compensatory time earned will be granted in lieu of cash compensation for this premium.

Subd. 3. No Duplication

There shall be no duplication or pyramiding of overtime and/or premium rates of pay under the provisions of this Agreement. Compensation shall not be paid more than once for the same hours under any provisions of this Agreement.

**Section 11.07 - On Call**

The term “on call” is limited to a status in which an employee, though off duty, is required by the Employer, to be available and able to respond to inquiries by telephone and/or, if necessary, return to duty. The employee should receive clear advance notice that he/she will be “on call” and any schedule should be reasonable thus respecting the employee’s personal life.

- a. An employee will receive the following amount for each weekday the employee is on call: effective January 1, 2023 - \$40.00; effective January 1, 2024, \$43.00. The employee will receive the following amount for each weekend day (Saturday or Sunday) or holiday the employee is on call: effective January 1, 2023 - \$50.00; effective January 1, 2024, \$53.00
- b. The on-call employee is expected to respond to telephone inquiries during the on-call period without additional compensation. On call employees may be compensated for other work performed at home with the express approval of the department head.
- c. Employees, not on call, may receive inquiries during off duty hours and/or be asked to return to duty, but they are not required to be available and able to respond.

**Section 11.08 - Stand-By**

The term “stand-by” refers to employees of the Police Department who are required to be available as a witness for court matters. Employees shall be compensated at the prevailing rate for the classification (overtime or compensatory time) for stand-by which falls outside the normally scheduled hours. All stand-by hours must have approval by the department head or his/her designee.

### **Section 11.09 - Call Back to Duty**

A non-exempt employee called back for duty, regardless of on call status, shall earn pay or compensatory time at the proper rate for the hours on duty or four hours, whichever is greater. An exempt employee called back for duty may be granted administrative leave pursuant to the provisions of Section 15.08.

### **Section 11.10 - Emergency Closings**

- A. *Non-Exempt Employees* - In the event the employees are unable to work their regularly scheduled hours because the Employer has temporarily suspended all or a portion of its normal operation in response to inclement weather or other emergency conditions, employees shall be permitted to draw upon accumulated vacation or sick leave benefits or accumulated compensatory time, at their option, to the full extent of the lost compensation due to the closure.
- B. *Exempt Employees* - The Employer may temporarily suspend all or a portion of its normal operation in response to inclement weather or other emergency conditions. Official closure announcements shall be made by the Employer through internal means and, where appropriate or necessary, be broadcast by suitable public media. Exempt employees shall not be required to use vacation, administrative leave, or sick leave benefits to compensate for lost work.

### **Section 11.11 - Forensic Scientist, Crime Analyst and Intelligence Analyst Shift Differential Pay**

Full-time, non-exempt Forensic Scientist, Crime Analyst, and Intelligence Analyst employees who are assigned to work a full shift which begins between 12 p.m. and 1:59 a.m.. shall be paid the additional amount as stated in the salary schedule per hour for all hours worked on such a shift.

Employees who are scheduled to work a full shift which begins outside these designated times shall not qualify for shift differential pay. Should such employees work overtime, either by coming in early or staying over, onto a shift which qualifies for differential, their sole compensation shall be the payment of overtime or compensatory time if applicable.

Employees who are assigned to work a full shift which qualifies for shift differential pay shall also be paid shift differential for those hours worked immediately preceding and/or following the shift.

### **Section 11.12 - Forensic Scientist Training Pay**

Employees in the title Forensic Scientist II who are assigned to, and serve as, a trainer for employees in the title Forensic Scientist I shall receive the sum of \$1.00 per hour in addition to the employee's regular compensation for the hours worked, for each hour in which the employee conducts training and is responsible for reporting on the performance of the trainee.

### **Section 11.13 – Alternative Work Arrangements**

Recognizing the benefit to the Employer and to employees, the Employer has established a policy and procedures governing remote work, also known as “alternative work arrangements” (AWA). The Employer agrees that the AWA policy shall be applied equitably among similarly situated employees and decisions shall not be made on an arbitrary or discriminatory manner. Department heads (or their designees) may authorize AWAs to employees as a means of accomplishing business objectives. Authorizations for AWAs shall be approved in a manner that protects the assets of the City of Minneapolis and its employees to the maximum possible extent. AWAs approved under this policy may be terminated

at the discretion of the department head or their designee. AWAs are not appropriate for all employees and no employee is entitled or guaranteed the opportunity to enter into them. The Employer retains the inherent managerial right to amend or repeal the policy and/or procedures and to make decisions consistent with the policy and procedures.

## **ARTICLE 12** **VACATIONS**

At least one of the items in this Article identifies unique terms and conditions for exempt employees. If it is different, the section to be applied for exempt employees will be identified by a “(B)”. The exempt titles are listed in Appendix A of the Agreement under the column headed “FLSA, OTC”.

At the discretion of the Appointing Authority, as defined under the Minneapolis City Charter, and in the process of negotiating the compensation package for the initial hire of new employees, new hires may be granted additional vacation accrual rate credit based on documented relevant work experience as determined by the Human Resources Department. Credit may be granted on a year-for-year ratio up to a maximum of twenty-one (21) days of vacation per year.

### **Section 12.01 - Vacations With Pay**

Permanent employees shall be entitled to vacations with pay in accordance with the provisions of this article.

### **Section 12.02 - Eligibility: Full-Time Employees**

Vacations with pay shall be granted to permanent employees who work one-half (½) time or more. Vacation time will be determined on the basis of continuous years of service, including time in a classified or unclassified position immediately preceding appointment or reappointment to a classified position. For purposes of this article, *continuous years of service* shall be determined in accordance with the following:

#### **Subd. 1. Credit During Authorized Leaves of Absence**

Time on authorized leave of absence without pay, except to serve in an unclassified position, shall not be credited toward years of service, but neither shall it be considered to interrupt the periods of employment before and after leave of absence, provided an employee has accepted employment to the first available position upon expiration of the authorized leave of absence.

#### **Subd. 2. Credit During Involuntary Layoffs**

Employees who have been involuntarily laid off shall be considered to have been continuously employed if they accept employment to the first available position. Any absence of twelve (12) consecutive months will not be counted toward years of service for vacation entitlement.

#### **Subd. 3. Credit During Periods on Disability Pension**

Upon return to work, employees shall be credited for time served on workers' compensation (those returning to active employment after January 1, 1995) or disability pension as the result of disability incurred on the job. Such time shall be used for the purpose of determining the amount of vacation to which they are entitled each year thereafter.

Subd. 4. Credit During Military Leaves of Absence

Employees returning from approved military leaves of absence shall be entitled to vacation credit as provided in applicable Minnesota statutes.

**Section 12.03 - Eligibility: Intermittent and Part-Time Employees**

Permanent employees on an intermittent or part-time basis shall also be granted vacations with pay in direct proportion to the time actually employed. In no event, however, shall employees receive vacation pay greater than what their earnings would have been during such period had they been working.

**Section 12.04 - Vacation Benefit Levels**

Eligible employees shall earn vacations with pay in accordance with the following schedule:

<b>YEARS OF CITY SERVICE</b>	<b>VACATION DAYS</b>
1 - 4	12
5 - 7	15
8 - 9	16
10 - 15	18
16 - 17	21
18 - 20	22
21 +	26

For purposes of this article, the word *day* shall be defined as eight (8) hours.

Eligible probationary employees shall be allowed to use vacation days as they are earned.

For purposes of this article, the workday shall be defined in accordance with the definition in Section 11.01 of this Agreement.

**Section 12.05 - Vacation Accruals and Calculation**

The following shall be applicable to the accrual and usage of accrued vacation benefits:

Subd. 1. Accruals and Maximum Accruals

- A. *Non-Exempt Employees.* Vacation benefits shall be calculated on a direct proportion basis for all hours of credited work other than overtime and without regard to the calendar year. Benefits may be cumulative up to and including fifty (50) days. Accrued benefits in excess of fifty (50) days shall not be recorded and shall be considered lost.

Except in emergency situations approved at the sole discretion of the department head non-exempt employees shall be authorized to utilize only vacation benefits actually accrued to the date of their return from vacation. The department head may approve up to one (1) year’s accrual at the rate in force at the time of the request. Employees

separating from service will be required to refund vacation used in excess of accrual at the time of separation, if any.

Non-exempt employees certified to permanent positions prior to January 1, 1973 shall be allowed to accrue a negative balance in their vacation account. Such amount shall not exceed the anticipated earnings for the immediately succeeding twelve (12) month period. The anniversary date for increase in such employee's vacation allowance shall be January 1, of the year in which the employee's benefit level is changed. Employees separating from the service will be required to refund vacation used in excess of accrual at the time of separation, if any. The Employer is authorized to withhold funds from the employee's final paycheck or deduct from the eligible Sick Leave Severance as described in Article 17, Section 17.02 to recover any outstanding liabilities.

- B. *Exempt Employees.* Effective January 1, 2003, exempt employees shall be allowed to have a negative vacation balance equal to their full yearly allotment of vacation leave. For employees new to the bargaining unit the allotment shall be prorated for the year based on the date of hire. Should an employee separate from City service prior to December 31, vacation eligibility shall be based on a monthly proportion of the yearly allotment, and the employee shall be liable for any excess. In no circumstance shall any employee be eligible for payment for more than fifty (50) vacation days upon separation. Vacation benefits are described in Section 12.04. Benefits may be cumulative up to and including fifty (50) days. Benefits in excess of fifty (50) days shall not be recorded and shall be considered lost. The Employer may waive this ten (10) calendar day requirement if the Employer determines that absence of such employee will not substantially interfere with its operation.

## **ARTICLE 14** **LEAVES OF ABSENCE WITHOUT PAY**

### **Section 14.01 - Leaves of Absence Without Pay**

Leaves of absence without pay may be granted to permanent employees when authorized by Minnesota State Statute or by the Employer pursuant to the provisions of this article upon written application to the employee's immediate supervisor or his/her designated representative. Except for emergency situations, leaves must be approved in writing by the Employer prior to commencement.

### **Section 14.02 - Leaves of Absence Governed by Law**

The following leaves of absence without pay may be granted as authorized by applicable Minnesota statutes:

#### **Subd. 1. Military Leave**

When the need

for the leave is foreseeable, the employee shall provide reasonable prior notice of the leave to their immediate supervisor and shall make a reasonable effort to schedule the leave so as not to disrupt the operations of the Employer. Employees may use accumulated vacation benefits or accumulated compensatory time for the duration of such leaves.

#### Subd. 5. Family and Medical Leaves

The City of Minneapolis fully complies with the federal Family and Medical Leave Act, 29 U.S. Code Chapter 28. See Family and Medical Leave Policy and Procedures at the City's Policy and Procedures web page.

### **Section 14.03 - Leaves of Absence Governed by this Agreement**

Employees may be granted leaves of absence for reasonable periods of time provided the requests for such leaves are consistent with the provisions of this section. Employees on leave in excess of six (6) months will, at the expiration of the leave, be placed on an appropriate layoff list for their classification if no vacancies exist in their classification. Employees on leave of less than six (6) months will, at the expiration of the leave, return to their departments in positions within their classification. Leaves of absence under this section may be granted for the following purposes:

Subd. 1. Temporary illness or disability properly verified by medical authority;

Subd. 2. To serve in an unclassified City position not covered by state statute;

Subd. 3. Education that benefits the employee to seek advancement opportunities or carry out job-related duties more effectively;

Subd. 4. To serve temporarily in a position with another public employer where such employment is deemed by the Employer to be in the best interests of the City;

Subd. 5. To become a candidate in a general election for public office. A leave of absence without pay commencing thirty calendar days prior to the election is required, unless exempted by the Employer;

Subd. 6. For personal convenience not to exceed twelve (12) calendar months;

Subd. 7. A leave of absence without pay of ninety (90) calendar days per payroll year or less if approved by the Employer for the purpose of reducing the Employer's operating budget. Such employees shall be credited with seniority, vacation, group health/life insurance benefits and sick leave benefits as if they had actually worked the hours.

1. **Continuous Leave.** An employee may request a leave of absence for a continuous period of time of not more than ninety (90) calendar days. Such leave shall be taken in increments of not less than one week. To be eligible for the leave, the employee must request the leave no later than thirty (30) days prior to the first day of such leave. Such written request shall include the proposed starting and ending date of the leave. Once granted by the Employer, the employee must take such leave during the period requested and may not return to work unless the Employer, in its sole discretion, agrees to rescind or cancel the leave.

2. Intermittent Leave. An employee, who has not taken or committed to a continuous budgetary leave during any calendar year, may request an intermittent unpaid leave of absence for up to ninety (90) calendar days during any payroll year. Such leave may be taken intermittently in increments of not less than one day, however, with the written approval of his/her supervisor, non-exempt employees may use intermittent budgetary leave for educational or personal reasons in increments of less than one day.
3. With Binding Commitment. Intermittent budgetary leave may be granted (subject to the business needs of the Department) if requested by the employee in writing no later than thirty (30) days prior to the commencement of the first segment of such leave. The employee shall notify the Employer at least thirty (30) days before the first day of each segment of the leave. Requests for leave made on less than thirty (30) days' notice may be granted or denied by the Employer on the same terms as a request for vacation; however, the Employer shall use its best efforts to accommodate the requests of the Employee. The written request must specify the number of days of unpaid leave to be taken by the employee.

Once the Employer approves the request, the employee must take unpaid leave in the amount approved unless the Employer, in its sole discretion, agrees to rescind or cancel the leave. If the Employee has not exhausted his/her leave or designated the days on which he/she will be off, on or before September 1, the Employer may schedule the time off at its discretion, but shall attempt to do so on days mutually agreeable to the employee.

Employees who request budgetary leave with a "binding commitment" may request a portion of their hours actually worked be banked for use during budgetary leave using a form designated by the Employer. The Employer shall be responsible for maintaining a record of each employee's "bank". In such case, the employee shall draw upon the budgetary leave bank during the time of leave. For exempt employees, such budgetary leave must be in full-day increments. Employees may accrue a negative balance in the "bank" not to exceed ten (10) days. Such amount shall not exceed the total amount to be banked during that payroll year. Employees separating from service prior to the end of the payroll year will be required to refund any negative amount in the "bank."

## **ARTICLE 15** **LEAVES OF ABSENCE WITH PAY**

### **Section 15.01 - Leaves of Absence with Pay**

Leaves of absence with pay may be granted to permanent employees under the provisions of this article when approved in advance by the Employer prior to the commencement of the leave.

### **Section 15.02 - Bereavement Leave**

A paid leave of absence of three (3) working days shall be granted in the event an employee in the classified service suffers a death in his/her immediate family. Immediate family is defined as an employee's Parent, Stepparent, Spouse, Registered Domestic Partner within the meaning of Minneapolis Code of Ordinances, Chapter 142, Child, Stepchild, Brother, Sister, Stepbrother, Stepsister, Father-in-law, Mother-in-law, Brother-in-law, Sister-in-law, Son-in-law, Daughter-in-law, Grandparent, Grandchild, Great Grandparent, Great Grandchild, or dependents of employee's household. For purposes of this subdivision, the term's father-in-law and mother-in-law shall be construed to include the father and mother of an employee's domestic partner.

Bereavement Leave may be used intermittently. However, the three (3) working days must be used within five (5) working days from the time of death or funeral, unless an extension is required for individually demonstrated circumstance. Intermittent use must be approved by the employee's supervisor. Approval will not be unreasonably withheld. In the event the supervisor does not approve, the employee may immediately appeal to the next upper level of the hierarchy.

Additional time off without pay, or use of available vacation time, shall be granted as may reasonably be required under individual demonstrated circumstances. Accrued and available leave balances (vacation, sick leave or compensatory time) may be used following current approval practices.

### **Section 15.03 - Jury Duty and Court Witness Leave**

After due notice to the Employer, employees subpoenaed to serve as a witness or called for jury duty, shall be paid their regular compensation at their current base rate of pay for the period the court duty requires their absence from work duty, plus any expenses paid by the court. Such employees, so compensated, shall not be eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the Employer. If an employee is excused from jury duty prior to the end of the normal work day, he/she shall return to work if reasonably practicable or make arrangements for a leave of absence without pay. For purposes of this section, such employees shall be considered to be working normal day shift hours for the duration of their Jury Duty Leave. Any absence, whether voluntary or by legal order to appear or testify in private litigation, not in the status of an employee but as a plaintiff or defendant, shall not qualify for leave under this section. Such absences shall be charged against accumulated vacation, compensatory time or be without pay.

### **Section 15.04 - Military Leave**

Pursuant to applicable Minnesota statutes, employees who are qualified under the Statute are entitled to leaves of absence with pay during periods not to exceed fifteen (15) working days in any calendar year to fulfill service obligations.

### **Section 15.05 - Olympic Competition Leave**

Pursuant to applicable Minnesota statutes, employees are entitled to leaves of absence with pay to engage in athletic competition as a qualified member of the United States team for athletic competition on the Olympic level, provided that the period of such paid leave will not exceed the period of the official training camp and competition combined or ninety (90) calendar days per year, whichever is less.

### **Section 15.06 – Organ and Bone Marrow Donor Leave**

Pursuant to applicable Minnesota statutes, employees who work twenty (20) or more hours per week shall, upon advance notification to their immediate supervisor and approval by the Employer, be granted a paid leave of absence at the time they undergo medical procedures to donate an organ or bone marrow. At the time such employees request the leave, they shall provide to their immediate supervisor written verification by a physician of the purpose and length of the required leave. The combined length of leaves for this purpose may not exceed forty (40) hours unless agreed to by the Employer in its sole discretion.

**Section 15.07 - Return from Leaves of Absence with Pay**

When an employee is granted a leave of absence with pay under the provisions of this article, such employee, at the expiration of such leave, shall be restored to his/her position.

**Section 15.08 - Administrative Leave - FLSA Exempt Employees**

The Parties recognize that the work requirements of FLSA exempt employees may exceed, with varying degrees of frequency, the work expectations of a normal workweek. The Parties also recognize that FLSA exempt employees have the responsibility and freedom to manage their own schedules in order to balance work time. With this understanding, the Employer has promulgated an Administrative Leave Policy. It is the intent of the Parties to agree that when an exempt employee's work regularly exceeds normal work week expectations, as demonstrated by results or outputs, the employee may be granted administrative leave. Administrative leave is paid time off in increments of one day not charged to other leave.

Administrative leave of up to three days may be granted by an exempt employee's immediate supervisor. Such leave may be granted upon the supervisor's own initiative or upon the request to the supervisor from the employee. Administrative leave of up to five consecutive days may be granted by an exempt employee's department head. Such leave may be granted upon the department head's own initiative or upon the request to the department head from the supervisor or the employee. A supervisor or department head may deny administrative leave if an employee has failed to meet performance expectations. If granted, the employee's supervisor and the employee shall diligently work together to schedule administrative leave when the impact on the Employer's operations will be minimized. The Employer shall not unilaterally schedule administrative leave except in safety or operational security situations.

**Section 15.09 – Paid Parental Leave**

The parties agree that if the Employer proposes to reduce or eliminate Paid Parental Leave as approved by the City Council on August 18, 2022, such changes are subject to negotiation pursuant to Minn. Stat. § 179A.03, subd. 19.

**ARTICLE 16**  
**SICK LEAVE**

At least one of the items in this Article identifies unique terms and conditions for exempt employees. If it is different, the section to be applied for exempt employees will be identified by a "(B)". The exempt titles are listed in Appendix A of the Agreement under the column headed "FLSA, OTC".

**Section 16.01 - Sick Leave**

Permanent employees who regularly work half time or more hours per week shall be entitled to leaves of absence with pay, for actual, bona fide illness, temporary physical disability, medical appointments, illness in the immediate family, or quarantine. Such leaves shall be granted in accordance with the provisions of this article.

## **Section 16.02 - Definitions**

The term *illness*, where it occurs in this article, shall include bodily disease or injury or mental affliction, whether or not a precise diagnosis is available, when such disease or affliction is, in fact, disabling. Other factors defining sick leave are as follows:

### **Subd. 1. Chemical Dependency**

Alcoholism and drug addiction shall be recognized as an illness. However, sick leave pay for treatment of such illness shall be contingent upon two conditions: 1) the employee must undergo an evaluation by a licensed alcohol and drug counselor or substance abuse professional, and 2) the employee, during or following the above care, must participate in a prescribed licensed program of treatment and rehabilitation approved by the Employer in consultation with the Employer's health care provider.

### **Subd. 2. Illness or Injury in the Immediate Family**

Employees may utilize accumulated sick leave benefits for reasonable periods of time when their absence from work is made necessary by the illness or injury of their dependent child ("child" shall include the employee's biological, step, adopted, or foster child under 18 years of age, or under 20 years of age if still attending secondary school) and not to exceed 160 hours in a rolling 12 month period when their absence from work is made necessary by the illness or injury of their spouse, *registered domestic partner* (within the meaning of *Minneapolis Code or Ordinances* Chapter 142), parents, parent-in-laws, sibling, adult child, grandchild, grandparent, stepparent, guardian or ward. The utilization of sick leave benefits under the provisions of this subparagraph shall be administered under the same terms as if such benefits were utilized in connection with the employee's own illness or injury. Additional time off without pay, or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances. Nothing in this subdivision limits the rights of employees under the provisions of Section 14.02, Subd. 5 (*Family and Medical Leaves*) of this Agreement.

## **Section 16.03 - Eligibility, Accrual and Calculation of Sick Leave**

- A. *Non-Exempt Employees.* If employees who regularly work half time or more per week, are absent due to illness, such absences shall be charged against their accumulated accrual of sick leave. Sick leave pay benefits shall be accrued by eligible employees at the rate of twelve (12) days per calendar year worked and shall be calculated on a direct proportion basis for the assignment.
- B. *Exempt Employees.* If employees who regularly work more than half time, are absent for a full day due to illness, such absences shall be charged against their accumulated accrual of sick leave. Sick leave shall begin on the first full workday an employee is absent from duty due to illness. Sick leave pay benefits shall be credited to eligible employees at the rate of one (1) day per calendar month worked.

## **Section 16.04 - Sick Leave Bank - Accrual**

All earned sick leave shall be credited to the employee's sick leave *bank* for use as needed. Twelve (12) days of medically unverified sick leave may be allowed each calendar year. However, the Employer may require medical verification in cases of suspected fraudulent sick leave claims, including where the employee's use of sick leave appears systematic or patterned. Five (5) or more consecutive days of sick

leave shall require medical verification from an appropriate health care provider which shall include telephonically prescribed courses of treatment by a physician which are confirmed by a prescription or a written statement issued by the physician.

#### **Section 16.05 - Interrupted Sick Leave**

Permanent employees who have been certified or re-certified to a permanent position shall, after layoff or disability retirement, be granted sick leave accruals consistent with the provisions of this article. Employees returning from military leave shall be entitled to sick leave accruals as provided by applicable Minnesota statutes.

#### **Section 16.06 - Sick Leave Termination**

No sick leave shall be granted an employee who is not on the active payroll or who is not available for scheduled work. Layoff of an employee on sick leave shall terminate the employee's sick leave.

#### **Section 16.07 - Employees on Suspension**

Employees who have been suspended for disciplinary purposes shall not be granted sick leave accruals or benefits for such period(s) of suspension.

#### **Section 16.08 - Employees on Leave of Absence Without Pay**

An employee who has been granted a leave of absence without pay, except a military or budgetary leave, shall not be granted sick leave accruals or benefits for such periods of leave of absence without pay.

#### **Section 16.09 - Workers' Compensation and Sick Leave**

Employees shall have the option of using available sick leave accruals, vacation accruals, or of receiving workers' compensation (if qualified under the provisions of the *Minnesota Workers' Compensation Statute*) where sickness or injury was incurred in the line of duty. If sick leave or vacation is used, payments of full salary shall include the workers' compensation to which the employees are entitled under the applicable statute, and the employees shall receipt for such compensation payments. If sick leave or vacation is used, the employees' sick leave or vacation credits shall be charged only for the number of days represented by the amount paid to them in excess of the workers' compensation payments to which they are entitled under the applicable statute. If an employee is required to reimburse the Employer for the compensation payments thus received, by reason of the employee's settlement with a third party, his/her sick leave or vacation will be reinstated for the number of days which the reimbursement equals in terms of salary. In calculating the number of days, periods of one-half (½) day or more shall be considered as one (1) day and periods of less than one-half (½) day shall be disregarded.

#### **Section 16.10 - Notification Required**

Employees shall be required to notify their immediate supervisor as soon as possible of any occurrence within the scope of this article which prevents work. If the Employer has provided pre-work shift contact arrangements, employees shall be required to provide such notification no later than one (1) hour before the start of the work shift. If no such arrangements have been made, employees shall be required to provide such notification as soon as possible but in no event later than one-half (½) hour after the start of the shift.

**ANNUAL SICK LEAVE CREDIT PLAN**  
**& ACCRUED SICK LEAVE SEPARATION PAY**

**Section 17.01 - Annual Sick Leave Credit Plan**

An employee who satisfies the eligibility requirements of this Section, shall be entitled to make an election to receive payment for sick leave accrued but unused under the terms and conditions set forth below.

- (a) **Eligibility.** An employee who has an accumulation of sick leave of sixty (60) days or more on December 1 of each year (hereafter an “Eligible Employee”) shall be eligible to make the election described below.
- (b) **Election.** On or before December 10 of each year, the Employer shall provide to each Eligible Employee a written election form on which the Eligible Employee may elect whether he/she wants to receive cash payment for all or any portion of his/her sick leave that will be accrued during the calendar year immediately following the election (the “Accrual Year”). The employee shall deliver the election form to the Employer on or before December 31. Such election is irrevocable. Therefore, once an Eligible Employee transmits his/her election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave or change the amount of sick leave for which payment is to be made. If an Eligible Employee does not transmit an election form to the employer on or before December 31, he/she shall be considered to have directed the Employer to NOT make a cash payment for sick leave accrued during the Accrual Year.
- (c) **Payment.** Within sixty (60) days after the end of the Accrual Year, an Eligible Employee who has elected to receive cash payment shall be paid as follows:
  - i. *At Least Sixty (60) Days, But Less Than Ninety (90) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on fifty percent (50%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.
  - ii. *At Least Ninety (90) Days, But Less Than One Hundred Twenty (120) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on seventy-five percent (75%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.
  - iii. *At Least One Hundred Twenty (120) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on one hundred percent (100%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.
- (d) **Adjustment of Sick Leave Bank.** The number of hours for which payment is made

shall be deducted from the Eligible Employee's sick leave bank at the time payment is made.

- (e) Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is exercised at the same annual time as regular changes in deferred compensation payroll deductions are normally permitted.

### **Section 17.02 - Accrued Sick Leave Separation Plan**

Employees who separate from positions in the qualified service and who meet the requirements set forth in this article shall be paid in the manner and amount set forth herein.

- (a) Payment for accrued but unused sick leave shall be made only to separated former employees who:

  - ii. as of the date of separation had accrued sick leave credit of no less than sixty (60) days; and
  - iii. as of the date of separation had:
    - 1. no less than twenty (20) years of qualified service as computed for pension eligibility purposes, or
    - 2. who have reached sixty years of age, or
    - 3. who are required to separate early because of a disability.
- (b) When an employee having no less than sixty (60) days of accrued sick leave dies prior to separation, he/she shall be deemed to have separated because of disability at the time of death, and payment for his/her accrued sick leave shall be paid to the designated beneficiary as provided in this Section.
- (c) The amount payable to each employee qualified hereunder shall be one-half (1/2) the daily rate of pay for the position held by the employee on the day of separation, notwithstanding subsequent retroactive pay increases, for each day of accrued sick leave subject to a minimum of sixty (60) days.
- (d) Effective April 18, 2003 and thereafter, 100% of the amount payable under this Section shall be deposited into the Health Care Savings Account (MSRS). This deposit shall occur within thirty (30) days of the date of separation, provided however, that in the case of involuntary termination, this deposit shall occur only after final disposition is reached or all timelines to contest the discharge have expired, whichever is later.
- (e) If an employee entitled to payment under this Section dies prior to receiving the full amount of such benefit, the payment shall be made to the beneficiary entitled to the proceeds of his or her Minneapolis group life insurance policy or to the employee's

At the request of the Association, the Parties shall meet and negotiate in an effort to minimize the adverse effects of the Employer's decision upon affected bargaining unit employees. If the department where the subcontracting or privatization is to take place has a functioning Labor Management Committee (LMC), the proposed changes in service delivery should be placed on the agenda prior to the finalization of any contract with a vendor. During the LMC meeting the Employer should share the reasons and expected outcome(s) of the change in service delivery and have a meaningful dialogue in search of viable alternatives. If the department does not have a functioning LMC, the Association will be notified and be given five (5) business days to notify management of their desire to arrange a meeting between management and the employees in the affected department. The meeting

will be held as soon as reasonably possible. If MPEA does not arrange a meeting within 30 days, no further notification is required beyond the 60-day notice.

**ARTICLE 27**  
**COLLECTIVE BARGAINING**

**Section 27.01 - Entire Agreement**

The Parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the Parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association, for the duration of this Agreement, each waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to, or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the Parties at the time they negotiated or signed this Agreement. This Agreement may, however, be amended during its term by the Parties' mutual written agreement.

**Section 27.02 - Separability and Savings**

In the event any provision of this Agreement is found to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided therefore, such provision shall be voided. All other provisions, however, shall continue in full force and effect.

**ARTICLE 28**  
**TERM OF AGREEMENT**

**Section 28.01 - Term of Agreement and Renewal**

The provisions of this Agreement shall become effective on January 1, 2023, and shall remain in full force and effect through December 31, 2025. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing no later than ninety (90) calendar days prior to the expiration of this Agreement that it desires to modify or terminate the Agreement. In the event such notice is given, negotiations will begin with an initial meeting scheduled at a time and date mutually agreeable to the parties.

**Section 28.02 - Post-Expiration Life of Agreement**

This Agreement shall remain in full force and effect during the full period of negotiations for a successor Agreement and unless or until notice of termination is provided to the other Party in the matter set forth in the following section.

**Section 28.03 - Termination**

In the event that a successor Agreement has not been agreed upon by the expiration date set forth above, either Party may terminate this Agreement by serving written notice upon the other Party not less than ten (10) calendar days prior to the desired termination date provided the mediation provisions of the Minnesota PELRA have been met.

**ARTICLE 29**  
**WORK PLACE ENVIRONMENT**

The Employer and the Association reaffirm their commitment to encourage and maintain a work environment which is hospitable to all employees, managers and supervisors. To that end, the Employer and the Association shall continue to develop and refine a formal policy that prohibits harassment and abuse in the work place by any employee, manager, or supervisor. The Employer agrees to investigate all allegations of violations to that policy. Upon a finding that a violation of the policy has occurred, the Employer shall take appropriate remedial and/or corrective action and encourage the resolution of any resulting dispute through an established *alternative dispute resolution* (ADR) system.

Additionally, in recognition of the Association and Employer's commitment to support a work environment that is hospitable to all employees, the Association and the Employer agree to support training, policies and work rules that promote and sustain a positive work environment and prohibit abuse and harassment in the work place by any employee, manager or supervisor.

## ATTACHMENT A

### LETTER OF AGREEMENT Reasonable Suspicion Drug Alcohol Testing

1. **PURPOSE STATEMENT** - Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City has adopted this LOA concerning drugs and alcohol in the workplace. This LOA establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing LOA is intended to conform to the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* (Minnesota Statutes §181.950 through 181.957), as well as the requirements of the federal *Drug-Free Workplace Act of 1988* (Public Law 100-690, Title V, Subtitle D) and related federal regulations. Nothing in this LOA shall be construed as a limitation upon the Employer's obligation to comply with federal law and regulations regarding drug and alcohol testing.

The Human Resources Director is directed to develop and maintain procedures for the implementation and ongoing maintenance of this LOA and to establish training on this LOA and applicable law.

#### 2. WORK RULES

- A. No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a legitimate medical reason or when approved by the Employer as a proper law enforcement activity.
- B. No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a legitimate medical reason, as determined by the Medical Review Officer, or when approved by the Employer as a proper law enforcement activity.
- C. No employee, while on duty, shall engage or attempt to engage or conspire to engage in conduct which would violate any law or ordinance concerning drugs or alcohol, regardless of whether a criminal conviction results from the conduct.
- D. As a condition of employment, no employee shall engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace.
- E. As a condition of employment, every employee must notify the Employer of any criminal drug statute conviction no later than five (5) days after such conviction.
- F. Any employee who receives a criminal drug statute conviction, if not discharged from employment, must within thirty (30) days satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.
- G. The Employer shall notify the granting agency within ten (10) days after receiving notice of a criminal drug statute conviction from an employee or otherwise receiving actual notice of such conviction.

#### 3. PERSONS SUBJECT TO TESTING

Unless otherwise specified, all employees are subject to testing under applicable sections of this LOA. However, no person will be tested for drugs or alcohol under this LOA without the person's consent. The Employer can request or require an individual to undergo drug or alcohol testing **only under the circumstances described in this LOA.**

#### 4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

A. **Reasonable Suspicion Testing.** The Employer may, but does not have a legal duty to, request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion (a belief based on specific facts and rational inferences drawn from those facts) related to the performance of the job that the employee:

1. Is under the influence of drugs or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment; or
2. Has used, possessed, sold, purchased or transferred drugs, alcohol or drug paraphernalia while the employee was working or while the employee was on the Employer's premises or operating the Employer's vehicle, machinery or equipment; or
3. Has sustained a personal injury as that term is defined in *Minnesota Statutes* §176.011, Subd. 16, or has caused another person to die or sustain a personal injury; or
4. Was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident resulting in property damage or personal injury and the Employer or investigating supervisor has a reasonable suspicion that the cause of the accident may be related to the use of drugs or alcohol.

Whenever it is possible and practical to do so, more than one Agent of the Employer shall be involved in reasonable suspicion determinations under this LOA.

B. **Treatment Program Testing** – The Employer may request or require an employee to submit to drug and alcohol testing if the employee is referred for chemical dependency treatment by reason of having a positive test result under this LOA or is participating in a chemical dependency treatment program under an employee benefit plan. In such case, the employee may be required to submit to drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following notification that they will be subjected to Treatment Program Testing.

C. **Unannounced Testing by Agreement.** The Employer may request or require an employee to submit to drug and alcohol testing without prior notice on terms and conditions established by a written “last-chance” agreement between the Employer and employee’s collective bargaining representative.

D. **Testing Pursuant to Federal Law.** The Employer may request or require an employee to submit to testing as may be necessary to comply with federal law and regulations. It is the intent of this LOA that federal law preempts both state drug and alcohol testing laws and City policies and agreements. If this LOA conflicts with federal law or regulations, federal law and regulations shall prevail. If there are conflicts between federal regulations and this LOA, attributed in part to revisions to the law or changes in interpretations, and when those changes have not been updated or accurately reflected in this policy, the federal law shall prevail.

#### 5. REFUSAL TO UNDERGO TESTING

A. **Right to Refuse** - Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.

B. **Consequences of Refusal** - If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may subject the employee to disciplinary action up to and including discharge from employment.

- C. **Refusal on Religious Grounds** - No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo alternative drug or alcohol testing methods.
- D. **Failure to Provide a Valid Sample with a Certified Result** – Includes but is not limited to: 1) failing to provide a valid sample that can be used to detect the presence of drugs and alcohol or their metabolites; 2) providing false information in connection with a test; 3) attempting to falsify test results through tampering, contamination, adulteration, or substitution; 4) failing to provide a specimen without a legitimate medical explanation; and 5) demonstrating behavior which is obstructive, uncooperative, or verbally offensive, and which results in the inability to conduct the test.

## 6. PROCEDURE FOR TESTING

- A. **Notification Form** - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's *Drug and Alcohol Testing LOA*, and (2) indicate consent to undergo the drug and alcohol testing.
- B. **Collecting the Test Sample** - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.
- C. **Testing the Sample.** The handling and testing of the sample shall be conducted in the manner specified in Minn. Stat. §181.953 by a testing laboratory which meets, and uses methods of analysis which meet, the criteria specified in subdivisions.1, 3, and 5 of that statute.
- D. **Thresholds.** The threshold of a sample to constitute a positive result alcohol, drugs, or their metabolites is contained in the standards of one of the programs listed in MN Statute §181.953, subd 1. The Employer shall, not less than annually, provide the unions with a list or *access to a list* of substances tested for under this LOA and the threshold limits for each substance. In addition, the Employer shall notify the unions of any changes to the substances being tested for and of any changes to the thresholds at least thirty (30) days prior to implementation.
- E. **Positive Test Results** – In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of their right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days, or any other information relevant to the reliability of, or explanation for, a positive test result.

## 7. RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the Medical Review Officer, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

- A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;
- B. The right to request and receive from the Employer a copy of the test result report;
- C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;
- D. The right to submit information to the Employer's Medical Review Officer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that the employee is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result;

- E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a Minnesota Licensed Alcohol and Drug Counselor (LADC) or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a Minnesota LADC or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;
- F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;
- G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;
- H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;
- I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;
- J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.
- K. The right to suffer no adverse personnel action based solely on the fact that the employee is requested to submit to a test.

## 8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of requesting that an employee submit to a test or the existence of a positive test result from an initial screening test that has not been verified by a confirmatory test.

- A. **Positive Test Result.** Where there has been a positive test result in a confirmatory test and in any confirmatory retest (if the employee requested one), the Employer will do the following unless the employee has furnished a legitimate medical reason for the positive test result:
  - 1. **First Offense** - The employee will be referred for an evaluation by an LADC or a physician trained in the diagnosis and treatment of chemical dependency.
    - a. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with an LADC or a physician trained in the diagnosis and treatment of chemical dependency.

- b. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, the Employer may impose discipline, up to and including discharge.
2. **Second Offense** - Where an employee tests positive, and the employee has previously participated in one program of treatment required by the Employer, the Employer may discharge the employee from employment.

**B. Suspensions and Transfers.**

1. **Pending Test Results From an Initial Screening Test or Confirmatory Test.** While awaiting the results from the Medical Review Officer, the employee shall be allowed to return to work unless the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public, and the conduct upon which the employee became subject to drug and alcohol testing would, independent of the results of the test, be grounds for discipline. In such circumstances, the Employer may temporarily suspend the tested employee with pay, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay.
  2. **Pending Results of Confirmatory Retest. Confirmatory retests of the original sample are at the employee's own expense.** When an employee requests that a confirmatory retest be conducted, the Employer may place the employee on unpaid leave, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay provided the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public. An employee placed on unpaid leave may use their accrued and unused vacation or compensatory time during the time of leave. An employee who has been placed on unpaid leave must be made whole if the outcome of the confirmatory retest is negative.
  3. **Rights of Employee in Event of Work Restrictions.** In situations where the employee is not allowed to remain at work until the end of their normal work day pursuant to this paragraph B, the Employer may not prevent the employee from removing their personal property, including but not limited to the employee's vehicle, from the Employer's premises. If the Employer reasonably believes that upon early dismissal from work under this paragraph the employee is about to commit a criminal offense by operating a motor vehicle while impaired by drugs or alcohol, the Employer may advise the employee that 911 will be called if the employee attempts to drive or call 911 before dismissing the employee from work so that a law enforcement officer may determine whether the employee is able to operate a motor vehicle legally. This LOA is not applicable with regard to any such determination by a law enforcement officer.
- C. **Other Misconduct** - Nothing in this LOA limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.
- D. **Other Consequences** – Other actions may be taken pursuant to Civil Service Rules, collective bargaining agreements or laws.
- E. **Treatment Program Testing** – The Employer may request or require an employee to undergo drug and alcohol testing if the employee has been referred by the Employer for chemical dependency treatment or evaluation or is participating in a chemical dependency treatment program under an employee benefit plan, in which case the employee may be requested or required to undergo drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following completion of any prescribed chemical dependency treatment program.

## 9. DATA PRIVACY

The purpose of collecting a body component sample is to test that sample for the presence of drugs or alcohol or their metabolites. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another Employer or to a third-party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

## 10. APPEAL PROCEDURES

- A. Employees may appeal discipline imposed under this LOA through the Dispute Resolution Procedure contained in the Collective Bargaining Agreement (i.e. grievance procedure) or to the Minneapolis Civil Service Commission.
- B. Concerning disciplinary actions taken pursuant to this drug and alcohol testing LOA, available Civil Service Commission appeal procedures are as follows:
  - 1) Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.

### LETTER OF AGREEMENT Job Bank and Related Matters

The above-entitled Parties are signatory to a Labor Agreement which is currently in force (the “Labor Agreement”). This Letter of Agreement outlines additional agreements reached by the Parties during the course of collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

#### GENERAL PROVISIONS

The Employer has created a *Job Bank* as a component of its resources allocation (budget) process. The purpose of the Job Bank is to assist the Employer and its employees during a time of major restructuring and change caused by unyielding demands for municipal service in the face of decreasing funding. It is the Employer’s intention, to the extent feasible under these circumstances, to identify employment opportunities for employees whose positions are eliminated through reassignment, retraining and out-placement support. One of the purposes of the Job Bank process is to minimize, to the extent possible, the disruption normally associated with contractual “bumping” and layoff procedures to both the Employer and affected employees.

The Job Bank process shall be administered in a manner which is consistent with the Employer’s desire to treat affected employees with dignity and respect at a difficult time in their relationship and to provide as much information and assistance to them as may be reasonably possible and practical within the limited resources available.

The term “Recall List” as used in this Agreement means the list of employees who are laid off from employment with the City or removed from their position by reason of a reduction in the size of the workforce, and who retain a right to return to their prior job classification pursuant to the terms of the Labor Agreement and/or Civil Service rules.

#### JOB BANK PROCESS AND PROCEDURE

##### I. Job Bank Assignment

1. Regular (*permanently certified*) employees whose positions are eliminated shall receive formal, written notification to that effect from the appointing authority of the department to which they are assigned. If a position is to be eliminated in any department, the employee with the least amount of seniority in the particular job class within the impacted division/department

will be placed in the job bank, regardless of performance, assignment, function or other consideration. For the purposes of this section, a division is defined as an operational unit headed by a supervisory director or deputy who reports directly to a department head. If a department is of such a size as to have no distinct divisions, the department shall be treated as a division. Whether the layoff will be implemented relative to the least senior in a division or department will be determined by the terms of the Labor Agreement covering the impacted positions.

2. Such employees shall be assigned to the Job Bank. Employees whose positions have been eliminated based on the Employer's regular annual budget process, including the Mayor's proposed budget and/or the final annual City budget as passed by the City Council, or as otherwise ordered by the City Council, are entitled to a sixty (60) day tenure in the job bank. All positions eliminated based on the Mayor's proposed budget and/or the final annual City budget as passed by the City Council must be so eliminated after the Mayor's proposed budget is announced but no later than January 1, of the next budget cycle (unless the department/division intends to eliminate at a later date as part of their final annual budget for that year). Employees whose positions have been eliminated based on any mid-cycle budget or revenue reductions not controlled by the Mayor and the City Council, are entitled to a thirty (30) day tenure in the job bank, or until they are reassigned, whichever may first occur. All such employees in the Job Bank shall have extended job bank services for as long as they remain on a recall list. During such period such laid off employees shall form a pool for "restricted examination" for positions for which they may be qualified. The employee will notify the City of their interest in being considered. The Union will assist in notifying these employees of vacancies to be filled. A permit position shall be considered a "vacancy" if it is in a job classification impacted by the workforce reduction and if more than 60 days remain on the permit.
3. Permit and temporary employees whose employment is terminated are not eligible for Job Bank assignment or benefits. Certified temporary employees shall, however, be eligible for the Job Bank activities described in paragraphs 2(c) below.

## **II. Job Bank Activities**

1. While affected employees are assigned to the Job Bank, they shall continue in their positions with no change in pay or benefits. While so assigned, however, affected employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties at a different location as determined by the Employer.
2. While affected employees are assigned to the Job Bank, the Employer shall make reasonable efforts to identify vacant positions within its organization which may provide continuing employment opportunities, and which may be deemed suitable for affected employees by all concerned.
  - a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC Grade level provided they meet the minimum qualifications for the position.

recall rights to the title they held when assigned to the Job Bank in accordance with the collective bargaining agreement at the time of placement in the Job Bank.

- d. **Filling Vacant Positions.** During the time the procedures outlined herein are in effect, position vacancies to be filled shall first be offered to regular employees who have a contractual right to be recalled to a position in the involved job classification or who may have a right to “bump” or transfer to the position, as the case may be. In such circumstances, the seniority provisions of the Agreement shall be observed. If no regular employee has a contractual right to the position, the following shall be given consideration in the order (priority) indicated below:

- 1<sup>st</sup> Priority: Qualified Job Bank employees
- 2<sup>nd</sup> Priority: Employees on a recall list
- 3<sup>rd</sup> Priority: Employee applicants from a list of eligibles
- 4<sup>th</sup> Priority: Displaced certified temporary employees
- 5<sup>th</sup> Priority: Non-employee applicants from a list of eligibles

The qualifications of an employee in the Job Bank or on a recall list shall be reviewed to determine whether they meet the qualifications for a vacant position. Whether the employee can be trained for a position within a reasonable time (not to exceed three months) shall be considered when determining the qualifications of an employee. If it is determined that the employee does not meet the qualifications for a vacant position, the employee may appeal to the Director of Human Resources. If it is determined that an employee in the Job Bank is qualified for a vacant position, the employee shall be selected. The appointing authority may appeal the issue of whether the employee is qualified. The dispute shall be presented to and resolved by the Job Bank Steering Committee.

If it is determined that an employee on a recall list is qualified for a vacant position, the employee will be given priority consideration and may be selected. Appeals regarding employees on a recall list and their qualifications for a position will be handled by the Civil Service Commission.

The grievance procedure under the Labor Agreement shall not apply to determinations as to qualifications of the employee for a vacant position.

3. During their assignment to the Job Bank, affected employees will be provided an opportunity to meet with the Employer’s Placement Coordinator to discuss such matters as available employment opportunities with the Employer, skills assessments, training and/or retraining opportunities, out-placement assistance and related job transition subjects. Involvement in these activities will be at the discretion of the employee. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment, training and job search activities. Displaced certified temporary employees are eligible for the benefits described in this paragraph. These

services shall be provided to the Job Bank employee at no cost to the employee.

### **III. Layoff, Bumping and Retirement Considerations**

1. A “Primary Impact Employee” is an employee who enters the Job Bank due to the elimination of their position. A “Secondary Impact Employee” is an employee who enters the Job Bank because they may be displaced by a Primary Impact Employee. All affected employees may exercise the displacement, “bumping” and/or layoff rights immediately. A Primary Impact Employee must exercise displacement or bumping rights within forty-five (45) days of entering the Job Bank (or within twenty-two [22] days of entering the Job Bank for an employee entitled to 30-days in the Job Bank). A Primary Impact Employee who exercises their displacement or bumping rights within the first thirty (30) days from entering the Job Bank (within the first fifteen [15] days for an employee entitled to 30-days in the Job Bank) shall have 8 hours added to the employee’s vacation bank. A Secondary Impact Employee must exercise their displacement or bumping rights within seven (7) calendar days of being displaced or bumped. Displacement and bumping rights shall be forfeited unless exercised by the deadlines specified in this paragraph or in the provisions of 2.a *iii*, Lateral Transfers, above. Regardless of when bumping rights are exercised, any change in the compensation of the employee resulting from the exercise of bumping rights shall not take effect until after the employee’s term in the Job Bank would have expired had the employee remained in the Job Bank for the maximum period.
2. If an affected employee is unable to exercise any “bumping” rights, or forfeits their bumping rights, under the Agreement or other authority and has not been placed in another City position, the employee shall be laid off and placed on the appropriate recall list with all rights pursuant to the relevant Labor Agreement provisions, if any, and all applicable Civil Service rules. In addition, they shall be eligible for the benefits described as follows:
  - (a) The level of coverage, single or family, shall continue at the level of coverage in effect for the laid off employee as of the date of layoff.
  - (b) The health/dental plan that shall be continued shall be the plan in effect for the employees as of the date of layoff.
  - (c) The City shall pay one hundred (100) percent of the premiums for the first six (6) months of COBRA continuance at the level of coverage and plan selected by the employee and in effect on the date of the layoff.

The terms of this provision relating to the continuation of insurance benefits will expire on December 31, 2022. The City Council must take specific action to extend these terms relating to the continuation of insurance benefits if the City Council wants those specific insurance benefits to apply to laid off employees after December 31, 2022.

3. If eligible, affected employees may elect retirement from active employment under the provisions of an applicable pension or retirement plan. In such event, affected employees will be eligible for any available Retirement Incentive that is agreed to by the Parties.

### LETTER OF AGREEMENT Return to Work/Job Bank Program and Related Matters

The City of Minneapolis and the MINNEAPOLIS PROFESSIONAL EMPLOYEES ASSOCIATION (hereinafter referred to as the *Employer* and the *Association*, respectively or the *Parties*, collectively) are parties to a Collective Bargaining Agreement (the “Labor Agreement”) that is currently in force. The Agreement covers the terms and conditions of employment of certain employees of the Employer who are represented for purposes of collective bargaining by the Association. This Letter of Agreement outlines additional agreements between the Parties which were reached during the term of the Agreement and which the Parties now desire to confirm.

#### GENERAL PROVISIONS OF THE RETURN TO WORK PROGRAM:

The employee’s Return to Work Policy provides for the timely return to work of employees injured on the job who have temporary and/or permanent restrictions. The Return to Work Program offers services to assist employees injured on the job who have temporary and/or permanent restrictions. This program will assist active employees; it is not intended to provide services to temporary employees or sworn employees. Participation in the Return to Work Program is based on a medical release to return to work. Upon receipt of the medical release, the employer shall make every effort to provide appropriate work activity. Our goal is to assist the work injured on the job by providing appropriate work within three (3) working days of the receipt of the medical release.

If there is a question about the employee’s medical release, the City’s consulting physicians shall make the final determination of an employee’s ability to return to work. If the employer is unable to offer appropriate work within the employee’s limitations, the employer shall provide for the employer’s portion of the health care benefit while the employee is in the Return to Work Program. The employer shall strive to provide appropriate work activity commensurate with the employee’s medical work release.

Continuing eligibility in the Return to Work Program is based upon receipt of medical data documenting the employee’s functional improvement. In addition, compliance with the Workers’ Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860, applicable rules and this Agreement is mandatory. Compliance will be monitored by the Claims Coordinator/ Return to Work Coordinator. Failure to comply with the requirements of this program may result in termination of the program. Compliance with the program will be determined by the employer.

## **GENERAL PROVISIONS OF THE RETURN TO WORK/JOB BANK PROGRAM:**

The employer has created a Return to Work/Job Bank Program as a component of its resources allocation (budget) process. The Return to Work/Job Bank Program will share some common resources with the restructuring/economic job bank, but it will have different rights and responsibilities. The Return to Work/Job Bank Program will assist both the employer and its employees during a time of unplanned change caused by an injury on the job.

The purpose of the Return to Work/Job Bank Program is to assist the injured worker in returning to a different job within the City if they are unable to perform their original position as a result of work injury arising out of and in the course of employment for the City. It is the employer's intention, to the extent feasible under the circumstances, to identify employment opportunities for employees through reassignment, retraining and out-placement support. One of the goals of the Return to Work/Job Bank is to minimize, to the extent possible, the disruption normally associated with work-related injuries and return to work in alternative positions.

The Return to Work/Job Bank process shall be administered in a manner which is consistent with the employer's desire to treat employees with dignity and respect. The administrators will strive to provide as much information and assistance as may be reasonable possible and practical within the resources available. Our objective is to assist employees in making informed choices about their future with the City and at the same time to utilize the competency of City employees, whenever possible, in staffing vacant City positions. Mutual cooperation and participation is necessary in order to accomplish this objective.

## **RETURN TO WORK/JOB BANK POLICIES:**

This policy will also cover employees injured on the job who are actively working for the City now and whose jobs are eliminated as a result of economic or restructuring decisions.
2. #### **RETURN TO WORK/JOB BANK PROCESSES:**

##### **Job Assignment**

1. Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995 and who have been assigned permanent restrictions that prevent the employee from returning to their pre-injury job, will be afforded the opportunities available in the Return to Work/Job Bank Program. This policy will also cover injured employees who are actively working now for the City and whose jobs are eliminated as a result of economic or restructuring decisions.
2. Such employees shall be assigned to the Job Bank for the ensuing one hundred twenty (120) calendar days or until they obtain a different job, as long as they comply with the Workers' Compensation Act, relevant rules, this Agreement, the Return to Work Policy and Minneapolis Code of Ordinances §20.860.
3. Permit-temporary employees and certified-temporary employees are not eligible for Return to Work/Job Bank services.

#### **RETURN TO WORK/JOB BANK ACTIVITIES:**

1. When injured employees are assigned to the Job Bank, they shall continue in temporary assigned positions with pre-injury salary and benefits. While so assigned, however, injured employees may

be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties in a different location, as determined by the Employer.

2. While injured employees are assigned to the Job Bank, the Employer and Employee shall make reasonable efforts to identify vacant positions within the Employer's organization which may provide continuing employment opportunities.
  - a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC grade level provided they meet the minimum qualifications for the position.
    - i. Seniority Upon Transfer. In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated as long as the job requirements are consistent with the employee's permanent restrictions. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
    - ii. Pay Upon Transfer. The employee's salary in the new position will be supplemented, if necessary, to comply with the Worker's Compensation Statutes. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
    - iii. Probationary Periods. Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed (either because the involved supervisor has concluded that the employee's performance in the new position is not satisfactory or because the employee is not satisfied with the position), the injured worker shall be returned to a Job Bank assignment for the remaining duration of the one hundred twenty (120) calendar day Job Bank period (or a minimum of thirty (30) calendar days, whichever is greater).
  - b. **Reassignment.** In accordance with the provisions of the Agreement or other applicable authority the injured worker may be transferred to a new position and/or duty location within their job classification at a time determined to be appropriate by the City. Such transfers terminate the injured employee's assignment to the Job Bank.
  - c. **Filling Vacant Positions.** During the time the procedures outlined herein are in effect, position vacancies will be filled based on the employee's qualifications. During their assignment to Job Bank, the injured worker will be provided an opportunity to meet with a City Placement Coordinator to discuss such matters as available employment opportunities with the City, skills assessments, training and/or retraining opportunities, out placement assistance and related job transition subjects. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment training and job search activities.

### LETTER OF AGREEMENT Hard-To-Fill Positions or Job Classifications

**WHEREAS**, the City of Minneapolis (Employer) and the Minneapolis Professional Employees Association (Association) (collectively, the “Parties”) are parties to a Collective Bargaining Agreement that is currently in effect; and

**WHEREAS**, A “Hard-to-Fill” position or class is an Association-represented position or class which has an established salary schedule under the Labor Agreement which is not competitive in the marketplace or has turnover of at least 10% in the past 12 months; and

**WHEREAS**, the Employer has difficulty attracting and hiring qualified candidates for Hard-to-Fill positions or classes; and

**WHEREAS**, a Hard-to-Fill position or class typically requires a high and unique level of skill sets; and

**WHEREAS**, the Parties believe that the Employer will be better able to attract, hire, and retain employees for “Hard-to-Fill” positions or classes by establishing and agreeing to special hiring procedures and/or salary enhancements for those positions or classes; and

**NOW, THEREFORE**, the Parties agree as follows:

1. Provisions in this Letter of Agreement will be used in filling “Hard-to-Fill” positions or classes, except where this agreement is silent on a matter, the provisions of the Labor Agreement will apply;
2. The Employer shall notify the Association in writing whenever it identifies a position or class which will require the use of the procedures stated in this Letter of Agreement. The notice shall state the title of the position or job classification, the highest dollar amount by which the salary for the classification may be adjusted, and the approximate date the position will be posted and/or advertised, and shall state the supportive turnover data, if any;
3. The Employer may use any form of advertising or job posting it deems necessary to attract candidates for a Hard-to-Fill position or class, however an internal posting will be made in all cases;
4. A posted position will be open to both internal and external candidates;

5. For “Hard-to-Fill” titles, the Employer may make a job offer without the establishment of an “eligible list” as defined by the Collective Bargaining Agreement and Civil Service Commission Rules after the initial review of applicants; however, all applicants will be subject to the following:
  - a. The completion of a City of Minneapolis job application.
  - b. A review of the application, including a resume, for the satisfaction of minimum qualifications.
  - c. An interview with a panel of at least three members, one of whom will be a human resources representative.
6. The Employer may authorize a wage adjustment of up to an additional twenty-five percent (25%) over and above the regular salary schedule for a Hard-to-Fill position or class only if the Human Resources Director and the Director Labor Relations determine that compensation is inadequate to attract and retain qualified candidates; As an employee in the position advances through steps, the amount of that additional dollar value shall be applied to each step. The amount shall be fixed at the original dollar value unless the value is determined to be insufficient based on a subsequent market evaluation.
7. The Employer may offer any, or all, of the market adjustment amount, in addition to the published salary for the position, in its negotiations with applicants;
8. No more than once per year, the Employer may evaluate the market adjustment to determine if it is still appropriate. If the Employer determines that the amount of the market adjustment is no longer appropriate, it shall notify the employee and the Association to meet and confer on adjusting the market adjustment.
9. Any such market adjustment by the Employer shall be based on a reputable market analysis or reputable job survey data pertaining to the position;
10. The Employer’s failure to base its market adjustment decision on a reputable market analysis or reputable job survey shall be grievable under the Labor Agreement;
11. An employee receiving a market adjustment will sign a written acknowledgement that the employee is fully informed that the salary being provided includes a market adjustment, the amount of the market adjustment, any additional expectations associated with the additional compensation, and the requirement of periodic review which may result in upward, downward, or no change to the market adjustment.
12. The review procedure will be repeated every three years following the initial three-year review, and upon each such review a new written acknowledgement will be obtained from the employee stating the market adjustment amount and the employee’s understanding that the market adjustment will be reviewed in three years and may be adjusted either upward, downward, or not changed based on a reputable market analysis or reputable job survey;
13. The Association will be promptly provided with a copy of each written acknowledgement obtained from an employee;
